Peer Review of Learning and Teaching in Higher Education Judyth Sachs,Mitch Parsell,2013-10-22 Incorporating both theoretical and practical perspectives this volume of papers explores varied aspects of peer review of teaching in higher education The section on

theory features contributions from academics based in Europe North America and Australia It provides a number of models demonstrating ways in which collegial peer commentary can enhance the quality of learning and teaching The chapters examine in detail the importance of communication and leadership and deploy evidence from one on one interviews that evince the value of considering collegiality emotions attitudes and spaces in peer review The analysis shows how these factors are central to the ways in which lecturers and teachers communicate with each other to create constructive opportunities for learning The chapters on practical considerations detail the peer review process and include case studies from institutions in Africa Europe North America and Australia which focus on different areas of the topic including peer review as a quality assurance mechanism peer review in distance education peer review in foundation courses and peer review embedded within a department and across a university The book ends with an international perspective on the role of peer review in ensuring a holistic approach to quality enhancement in learning and teaching

2009 Annual Review of Development Effectiveness World Bank,2009-12-04 The Annual Review of Development Effectiveness 2009 presents evidence on the World Bank s efforts in two areas Part I tracks the outcomes of Bank projects and country programs and the evolution of monitoring and evaluation M and E Part II examines the Bank s support for environmentally sustainable development compatible with economic growth and poverty reduction The Bank s project performance rebounded in 2008 allaying concerns about the weakened performance in 2007 As previous ARDEs have shown project performance has been improving gradually for 15 years according to the traditional measure percent of projects with satisfactory versus unsatisfactory outcomes But IEG ratings of M and E quality for completed projects indicate considerable room for progress Information to assess impacts continues to be lacking although preliminary data suggests improvements in baseline data collection Bank support for the environment has recovered since 2002 due to new sources of concessional finance The outcomes of environment projects have improved in recent years A growing number of regional projects are addressing the shared use of water resources New global partnerships are deepening the Bank s involvement in climate change issues But M and E remains weak three quarters of environment related projects those managed by sectors other than environment lack reporting of environmental outcomes
