

Argumentative research paper is a special composition which underlines the critical analysis of the subject and the emphasis of the various points to be discussed for better cooperation. Such a paper would ensure better degree of analysis of the elements and focus on prioritizing the various facts for decision making.

The first section is the introduction part which ensures better explanation of the concepts and discusses elaborately the problem statement for the subject to be taken into account. The primary scope of the paper would be discussed at large and precisely illustrate the processes of the paper. The idea regarding the discussion of the process which would be taken up is precisely mentioned at this section.

The methodology part would take into account the various measures that are to be taken care for the purpose of collection of facts and information required for the paper. In this type of paper, one is subjected to know a lot of substitute of the ideas discussed and would ensure better degree of compliance for the objectives of the paper. Such section would ensure a huge collection of data to synchronize various aspects of the paper.

The analysis part is the most essential part of the paper. At this point, the various elements are taken into account, filtered in accordance to the topic requirements and then prepared for analysis. The facts are ensured that it is compared and distinguished among each other to argue on the perspective that is discussed. The attitude and the perspective on hold would be to ensure a subtle degree of thought process and underline and criticize the perspective. Such moves would make one to think logically and deeply understand the instances of the events. All such disagreements must be duly referenced using the standard referencing methods like APA, MLA, Harvard, Chicago and others.

The cooperation of the various entities of the subject in discussion would ensure better magnitude of research and ensure deeper knowledge involvement of the paper. This aspect would not only involve finishing the paper but propagate deeper research ability to the readers. The points in the paper are discussed vividly, compared with several instances and ensure better degree of involvement of the subject matter in question.

The conclusion and recommendation section would be decisive in the paper which ensures a growth of the research ability and comprehensive discussion must be taken up. Such understanding and debate would ensure greater synchronization of the activities which are conclusive towards a positive outcome. The recommendation is the outcome of the several evaluations of the topic and collaborate the fact that such instances can be drawn from the deep insights of the subject.

Argumentative research paper is judgmental towards various aspects that are discussed in the paper and the subject concerned. It involves deep research and ability to synchronize the various aspects of the subject to come to a conclusion. Such disparity must be observed, evaluate and taken care for the subject. It is highly imperative to judge the various issues to deeply understand the subject and the issues to be taken care.

**Teaching and Learning Argumentative Writing in High School English Language Arts Classrooms** George E. Newell, David Bloome, Alan Hirvela, 2015-06-05 Focused on the teaching and learning argumentative writing in grades 9-12, this important contribution to literacy education research and classroom practice offers a new perspective: a set of principled practices and case studies of excellent teaching. The case studies illustrate teaching and learning argumentative writing as the construction of knowledge and new understandings about experiences, ideas, and texts. Six themes key to teaching argumentative writing as a thoughtful, multi-leveled practice for deep learning and expression are presented: teaching and learning argumentative writing as social practice; teachers' epistemological beliefs about argumentative writing; variations in instructional chains; instructional conversations in support of argumentative writing; deep learning and appreciation of multiple perspectives; contextualized analysis of argumentative writing and the teaching and learning of argumentative writing and the construction of rationalities. *Argumentative Essay (Speedy Study Guides)* Speedy Publishing, 2015-04-24 Persuade your readers to take your side of the argument by learning to craft strong argumentative essays exploding with well-picked information. **An Introduction to Advanced Academic Argumentative Writing Approach for High School and Undergraduate Students** Dr. Julius Nang Kum, An Introduction to the Advanced Academic Argumentative Writing Approach for High School and Undergraduate Students. This long-awaited textbook examines the knowledge-making genre or the argumentative writing at the advanced stage. It provides students with an insightful and a coherent picture of the academic argumentative essay, which is a training tool for knowledge making for most convincing writings. The book is divided into six chapters. Chapter one highlights some key pragmatic features which are very necessary for most successful students in the academic world. Chapter two focuses on the writing skills and some advantages of being a good writer. The remaining chapters identify the actual definition of an academic argumentative writing and also highlight the components of the introduction section, the body section, and the conclusion section of the knowledge-constructing genre. The book would be appropriate as a training tool for the writing skills of many advanced and undergraduate students. We hope that high school and undergraduate students would find the book very interesting and vital for their advanced argumentative writings and some related convincing writings in other fields. **Argumentative Essays: A Step-by-Step Guide** Broadview Press, 2022-04-28 This brief spiral-bound booklet provides a portable, scannable, and simple guide to the basics of argumentative essay writing.
