U.S. Militarism and the Terrain of Memory John Bechtold, 2024-08-01 This book analyzes how the Iraqi city of Fallujah became registered as a setting for military heroics in American memory In 2004 the U S military conducted two disastrous assaults in Fallujah Iraq More than 1 000 citizens were killed and according to the military s own estimate upwards of 200 000 people were displaced because of the violence Yet despite this human catastrophe the kind of information that emerged in the public domain during the battle foregrounded the soldier s experience in war while effacing the destruction of Iraqi bodies This tendency to foreground the soldier body is a direct result of the military s intervention in what they conceptualize as the information environment This book draws from the second assault in Fallujah as a case study to explicate the military s investment in this perspectival space which is a consequence both of the mediatization of contemporary war and of the need to influence knowledge considered unfavorable to military operations In short the military enlists the media in their targeting process to produce information that is then deployed as persuasive force to modify the beliefs of specific target populations When the cultural texts produced by the media are remediated in the public domain after war they can be thought of as martial constructs because they originated during war through the military s systemized attempt to influence knowledge That is these texts trace to a specific battlefield objective This book reframes the notion of propaganda as a generalized public relations strategy into a more acute and coordinated attempt to decontextualize specific knowledge in the information environment This book will be of much interest to students of media and communication studies war studies memory studies and international relations

Squared Away G. B. Trudeau, 2023-12-14 In a class by itself Jules Feiffer on Doonesbury This all color volume celebrates the marriage of Alex and Toggle an event which optimistically confirms that life like Doonesbury rolls on Indeed how remarkable that the strip has so embraced and occupied its era that three generations of one family have married within its panels Gathering their kith and kin around them at Walden the wise but wounded soldier artist and the brilliant but insecure techhead make a promising team for the years ahead well rounded yet squared away Doonesbury s fifth decade finds the largest rep company in the history of comic strips

fully and widely engaged Like so many flesh and blood fellow citizens key characters now struggle with dramatic career change and job stress And the wars in Iraq and Afghanistan continue to reverberate through the lives of others as the strip illuminates their experiences with an attentiveness unparalleled in popular culture Amid the relentless unfolding of unexpected storylines the strip s second and third generation characters increasingly take center stage and the youngest regular Sam comes of age literally in the blink of an eye as the newlyweds prepare to welcome twins It never ends and how lucky for readers Most comic strips run out of creative energy after their initial inspiration notes Garry Wills Trudeau has just kept improving year after year

Dude G. B. Trudeau, 2012-06-05 This breathtaking volume boldly cheerfully and blankly stares back across the stunningly mellow life and times of Zonker Harris From his Californian American roots to his legendary status as surfer nanny and former sun god his career trajectory has unfailingly carried him ever deeper into the homegrown heart of the American daydream A puddle plumbing denizen of Walden Commune Harris spent his formative years as a bodaciously freaked out college student His innovative decoding of the rites and rituals of the burgeoning counterculture put him on the cover of Time Forced by a strategic oversight to graduate from college Harris blazed a path to glory on the pro tanning circuit His triumph in the George Hamilton Cocoa Butter Open set a high watermark for the sport Family values led Harris to devote considerable time to helping his stunned parents refill their empty nest Extended family values propelled him into a career as a professional nanny in which capacity he has indeed taught the children well especially Sam who was surfing the long board while still in diapers Later leveraging his political cluelessness Zonker served on the disastrous Duke 2000 presidential campaign A devoted foot soldier in the war against AIDS suffering Zonk is held in high regard among SoCal s medical marijuana community for the efficacious potency of his magic brownies Unfazed by worldly success he remains a true and gentle freak After all he humbly notes I am but one dude
