BOARD QUESTION PAPER SET A

SECTION - A : READING SKILL, GRAMMAR, VOCABULARY, NOTE-MAKING AND SUMMARY

Q. 1 : (A) Read the following Extract and answer the questions given below : (11) (15)

Gandhiji said that the greatest lessons in life are learnt from children, not from learned men. A child will fearlessly try before giving up. As adults, fearing failure, we give up before we try.

A child is inherently curious about the world, about relationships, about wanting to understand how things work. As adults, our blinkered and conditioned self prevents us from truly exploring without prejudice. For a child, what she does is meaningful in its own right. As an adult, we usually link every action to an external reward of money or recognition.

I did not learn how to be a father from manuals. Whatever little I learnt about being a parent, I learnt by observing my children and letting them teach me. Similarly, I think our teachers could grow enormously by learning from their students.

We will then refrain from pushing our knowledge down their young minds, and begin the democratic process of being joint learners as we discover and understand our world. I believe a powerful force for empowerment is to have motivated teachers who are learners first, teachers second. Only then will we stop trying to mould children into our "adult" likenesses. Only then will we let them blossom.
