**Within the Warrior** George Kakalettris,2007 The book chronicles the events behind the breakdown of a marriage and how those events were based on a way of thinking founded on childhood tragedies and experiences The work also chronicles the impact of those tragedies upon loved ones and friends when the help necessary for liberation from a life of tragedy through proper counseling was not sought Recorded within the book is one man s struggle for redemption and reconciliation of all that he lost or threw away once the decision was reached and sought to bring an end to everything around him through a cycle of self destruction A cycle that was brought to a culminating point on the modern day battlefields of Iraq

**Dexter and Philosophy** Richard Greene,George A. Reisch,Rachel Robison,2011-04-12 What explains the huge popular following for Dexter currently the most watched show on cable which sympathetically depicts a serial killer driven by a cruel compulsion to brutally slay one victim after another Although Dexter Morgan kills only killers he is not a vigilante animated by a sense of justice but a charming psychopath animated by a lust to kill ritualistically and bloodily However his gory appetite is controlled by Harry s Code which limits his victims to those who have gotten away with murder and his job as a blood spatter expert for the Miami police department gives him the inside track on just who those legitimate targets may be In Dexter and Philosophy an elite team of philosophers don their rubber gloves and put Dexter s deeds under the microscope Since Dexter is driven to ritual murder by his Dark Passenger can he be blamed for killing especially as he only murders other murderers Does Dexter fit the profile of the familiar fictional type of the superhero What part does luck play in making Dexter who he is How and why are horror and disgust turned into aesthetic pleasure for the TV viewer How essential is Dexter s emotional coldness to his lust for slicing people up Are Dexter s lies and deceptions any worse than the lies and deceptions of the non criminals around him Why does Dexter long to be a normal human being and why can t he accomplish this apparently simple goal
