devote myself to compose 85 summaries is to provide quick reading for novel readers and students Numerous genres are presented because I am quite conscious those will bequeath you an imaginative horizon As a work of art many of them transcend their expiatory aspects And still more important to us than scientific significance and literary worth is the inspirational impact those novels have on serious readers Finally happy reading and I hope you will find this book useful

Greear,Jason Gaston,2018-05-01 Why is it so difficult to know that you are saved The idea of asking Jesus into your heart or giving your life to Jesus often gives false assurance to those who are not saved and keeps those who genuinely are saved from fully embracing that reality Greear unpacks the doctrine of assurance and answers the tough questions What exactly is faith What is repentance Why are there so many warnings that seem to imply we can lose our

salvation Such issues are handled with respect to the theological rigors they require but Greear and Gaston are careful to present the material with a pastoral sensitivity and communication technique that makes this message teachable and applicable to teens
