

You crawled down stairs and the sight alone of their filthy, blackened birkenstocks was enough to make you gag and choke. They were laid out just for you right in front of the couch. Three girls sat on the couch giggling between each other as they watched you slowly crawl towards them. The humiliation just kept piling on top of you as they snickered. "Well, well, well if it isn't the new bitch boy. I hope you are having a great first day. I'm sure all the girls have been having so much fun with your loser ass. And now it's our turn for some fun right girls! Come on. Get to work. You already know what you have to do."

"Clean all that grime. And just so you know we have a whole lot more shoes for you to clean, but we thought why not start with something light." They all snickered. You crawled towards the first birkenstock. You bent down placing your nose right where their heels would be. The stench was vile. One of the girls slammed their foot into the back of your head, "Yeah stay right there bitch. Now breathe in nice and deep for us. We want to clearly hear it." You took a sharp inhale of the birkenstock. A couple of pieces of toejam flew into your nostrils. You choked from the vinegary odor. You couldn't believe the smell could still be so strong. You could see the toe prints from years of wear. "Hey bitch boy. Whose birkenstocks do you think they belong to?" "I don't kn..." "That's isn't the answer I wanted bitch. Now we are going to punish you for that dumb bitch," she slapped you across the face with her foot. The other girl interrupted, "I think we said to clean our birkenstocks not just sniff them. We want you licking all that disgusting shit off of them slave!" They all laughed as you started licking. You could feel the rough grime and gunk accumulate on your tongue. It had indescribably disgusting taste. You couldn't believe that a woman could create such a vile stench. Your tongue was slowly becoming just as blackened as how the insole first appeared. When you reach the toe section of her birkenstocks, you could see even more dirt, sweat, toejam, and filth. The girls weren't even paying any attention to you as you obediently cleaned the shoes. They were simply talking between each other ignoring your struggle. No matter how much you licked you could barely remove any of the black discoloration from the insoles of the birkenstocks. After a little bit of time, another girl smacked you with their foot even harsher than before. "Bitch what the fuck is your useless ass doing! You haven't even cleaned a single one yet. God we might have a complete idiot here girls. You're definitely going to be punished bitch. But that will have to wait until later. A really important person wants to meet you. And by the way, she's probably the meanest one here. Hahahaha," they all were snickering at your reality. "Go bitch. Don't be late or else. She's on the top floor waiting for your dumb ass." You crawled terrified of what your future held.
