firm called the Swallow Sidecar Company Jaguar would become one of the world's most celebrated automakers. In England's bleak postwar years Jaguar became a shining star first with its XK120 followed by the XK140 and XK150. Sporting sedans like the Mark 2 and Mark X set the bar for luxury four-door transport in the 50s and 60s. Then Jaguar stunned the world with the achingly beautiful E Type in 1961, a genuine 150 mph super sports car. Along the way the company competed on road courses around the world going head to head with greats like Ferrari and Aston Martin. Though Jaguar lost its way periodically in the modern era it has bounded back stronger than ever in the twenty-first century with a strong lineup including the new F Type sports car and F Pace SUV. The Complete Book of Jaguar is the essential guide to this important chapter in the history of sports and luxury automobiles. **Autocar**, 2004. *Land Rover Discovery* James Taylor, 2014-04-30. A quarter of a century ago the Land Rover Discovery defined at a stroke how traditional 4 x 4 all-terrain ability could co-exist with family estate practicality at an affordable price. Since 1989 the Discovery has gone through several iterations but its essential qualities have remained unchanged. Practical, capable and above all completely distinctive, the stepped roof seemed odd at first but now defines the Discovery shape. The Discovery has gone on to become one of Land Rover's best-loved products. *Land Rover Discovery 25 Years of the Family 4 x 4* looks in detail at the four generations of Discovery including full specification details and production histories. Topics covered include the design and development of the original Discovery in the late 1980s and the move into North America, the new 300Tdi engine and R380 gearbox of 1994 and the BMW takeover. Series II models of 1998, 2004 and Land Rover's move from BMW to Ford. Discovery 3 LR3 2004-2009 and the new TDV6 engine developed by Jaguar. Discovery 4 LR4, the all-purpose family luxury car, special editions and derivatives of all four generations of Discovery including Discoverys for the emergency services and the Camel Trophy and G4 Challenge competition vehicles. Superbly illustrated with 351 colour photographs. *Autocar & Motor*, 1994.
