## **Making Sense Of The Bible Adam Hamilton:**

**Making Sense of the Bible** Adam Hamilton, 2014-03-18 Denominations from evangelical to mainline continue to experience deep divisions over universal social issues. The underlying debate isn't about a particular social issue but instead it is about how we understand the nature of scripture and how we should interpret it. The world's bestselling most read and most loved book is also one of the most confusing. In *Making Sense of the Bible*, Adam Hamilton, one of the country's leading pastors and Christian authors, addresses the hot button issues that plague the church and cultural debate and answers many of the questions frequently asked by Christians and non-Christians alike: Did God really command Moses to put gay people to death? Did Jesus really teach that everyone who is not a Christian will be assigned to hell? Why would Paul command women to keep silent in the church? Were Adam and Eve real people? Is the book of Revelation really about the end times? Who decided which books made it into the scriptures and why? Is the Bible ever wrong? In approachable and inviting language, Hamilton addresses these often misunderstood biblical themes, leading readers to a deeper appreciation of the Bible so that we might hear God speak through it and find its words to be life-changing and life-giving.

**Why?** Adam Hamilton, 2018-02-20 Where is God when tragedy and suffering strike? When the ground shakes and a poor nation's economy is destroyed when the waters rise washing away a community's hopes and dreams when a child suffers neglect and abuse when violence tears apart nations where is God? If God is all-powerful and if each one of us is a beloved child of God then how can God allow tragedy and suffering to infest his creation? In *Why?*, best-selling author Adam Hamilton brings fresh insight to the age-old question of how to understand the will of God. Rejecting simplistic answers and unexamined assumptions, he lays out core ideas for comprehending God's plan for the world, including: God will not take away our free will even when we use it to grieve him; God will never abandon us especially in the midst of our suffering. While God is not the author of suffering, God will bring blessing out of tragedy.

**Making Sense of the Bible [Leader Guide]** Adam Hamilton, 2014-09-15 In this six-week video study, Adam Hamilton explores the key points in his new book *Making Sense of the Bible*. With the help of this Leader Guide, groups learn from Hamilton as his video presentations lead groups through the book, focusing on the most important questions we ask about the Bible: its origins and meaning.

*Half Truths* Adam Hamilton, 2016-04-04 They are simple phrases They sound Christian like something you might find in the Bible We've all heard these words Maybe we've said them They capture some element of truth yet they miss the point in important ways Join Adam Hamilton in this 5 week Bible study to search for the whole truth by comparing common Christian clichés with the wisdom found in Scripture The clichés include Everything happens for a reason God helps those who help themselves God won't give you more than you can handle God said it I believe it that settles it Love the sinner hate the sin

**Homosexuality** Joseph Walter Miller, 2016-07-26 For many today the issue of homosexuality is easily and clearly settled in scripture The issue for them is one of scriptural authority One either obeys the command found in scripture or one does not Yet for others the scriptural commands are not nearly as clear as claimed and the issue is not obedience but rather

interpretation It is not whether one will obey God's will once known but determining if in fact traditional interpreters have discovered God's will Joe Miller Jr a retired pastor with a deep concern from LGBT persons in his community and church tackles this subject by examining not just the scriptures but also the people who interpret them and the theology and science they use to do so He believes that a scriptural case can be made for the full acceptance of LGBT and that to truly follow Jesus and care for the least of these demands nothing less *Christianity and World Religions Revised Edition* Adam
