Scattered across the left and bottom edges are numerous loose gemstone beads in various shapes, sizes, and colors, including red, orange, yellow, green, blue, and purple. Some are smooth and polished, while others are rough and faceted. In the center and right, several strands of jewelry are displayed. One prominent strand features large, irregular, light green and yellowish-green beads. Another strand consists of smaller, smooth, light green beads. A third strand is made of small, round, light green beads interspersed with small, rectangular, silver-colored metal spacers.
