Secret of Regeneration Hilton Hotema,1998 Which People's War? Sonya O. Rose,2003 Which People s War examines how national belonging or British national identity was envisaged in the public culture of the World War II home front Using materials from newspapers magazines films novels diaries letters and all sorts of public documents it explores such questions as who was included as British and what did it mean to be British How did the British describe themselves as a singular people and what were the consequences of those depictions It also examines the several meanings of citizenship elaborated in various discussions concerning the British nation at war This investigation of the powerful constructions of national identity and understandings of citizenship circulating in Britain during the Second World War exposes their multiple and contradictory consequences at the time It reveals the fragility of any singular conception of Britishness even during a war that involved the total mobilization of the country s citizenry and cost 400 000 British civilian lives

Dis...Miss Gender? Anne Bray,2024-10-22 A bold mix of photographs and short essays in which artists writers and theorists investigate and celebrate the rapidly evolving world of gender Discuss Discover Disrupt We dis a lot in English particularly with regard to women and queer people Our understanding of gender is changing and with it so are our questions Dis Miss Gender provides

thoughtfully considered contributions from an intrepid group of a hundred artists and writers who explore contemporary concepts of gender Anchored by lavish illustrations and original essays from prominent gender theorists including Karen Tongson Amelia Jones and Tiffany E Barber plus commentary from artists viewers and organizations committed to equity and justice this provocative book is the culmination of a five year initiative by Anne Bray Dis Mis Gender offers a kaleidoscopic survey of intersectionality and queer thought as well as fourth wave feminism misogyny and other forms of oppression based on age ethnicity ability or class As the population of gender nonconforming and people of color grows so too does their demand for visual representations of themselves in the world at large Dis Miss Gender nourishes the change we need so that we can at last model diverse identities question our options reduce our judgments and destroy stereotypes Celebrating a joyful plurality this book is a finger on the pulse revelation of gender in the act of transforming

Meaning-Transfer Model: An investigation of the sociocultural impact on individuals' body-image Anke Jobsky,2014-02-01

This book deals with the impact of the sociocultural environment on body image in Western consumer culture Based on McCracken s 1986 meaning transfer model the author has created a body image meaning transfer BIMT model It suggests how cultural discourse and interactions can shape individual consumers understanding of socially good and bad bodies It emphasizes the notable impact of mainstream advertising media and celebrity culture that commonly promote a thin and muscular beauty ideal and the process of normalization which implies feelings of guilt anxiety public observation and failure Both can ultimately lead to negative body images and body dissatisfaction among individuals In contrast alternative campaigns against the current beauty ideal and towards healthier body images are introduced Two focus group discussions among young adults from the UK and Germany provide insight into the timeliness of the topic concerned

Muscle Works Broderick D.V. Chow,2024-07-15 Men s fitness as a performance from nineteenth century theatrical exhibitions to health and wellness practices today This book recounts the story of fitness culture from its beginnings as spectacles of strongmen weightlifters acrobats and wrestlers to its legitimization in the twentieth century in the form of competitive sports and health and wellness practices Broderick D V Chow shows how these modes of display contribute to the construction and deconstruction of definitions of masculinity Attending to its theatrical origins Chow argues for a more nuanced understanding of fitness culture one informed by the legacies of self described Strongest Man in the World Eugen Sandow and the history of fakery in strongman performance the philosophy of weightlifter George Hackenschmidt and the performances of martial artist Bruce Lee and the intersections of fatigue resistance training and whiteness Muscle Works Physical Culture and the Performance of Masculinity moves beyond the gym and across the archive working out techniques poses and performances to consider how as gendered subjects we inhabit and make worlds through our bodies

in Martin Luther's Anthropology (1520-1530) Sini Mikkola, 2024-05-23 Sini Mikkola examines Martin Luther's 1483-1546 view of the human being during a decade of ecclesiastical social and political turmoil the 1520s from the perspectives of bodilyness gendered way of being sexuality and power Luther's way to construct norms ideals and expectations vis a vis body femininity and masculinity are investigated in changing historical and different textual contexts also via his self narratives and interaction with contemporary women and men The author demonstrates that Luther idealized and standardized the gender system along with its hierarchies in a very similar fashion throughout the 1520s However in addition to driving forward the gender system based on his stance on the gendered body Luther's way to discuss and construct gender was also open to adaptations and developments **Melody**, 1928 **The Culture of Male Beauty in Britain** Paul R.

Deslandes, 2021-12-20 A heavily illustrated history of two centuries of male beauty in British culture Spanning the decades from the rise of photography to the age of the selfie this book traces the complex visual and consumer cultures that shaped masculine beauty in Britain examining the realms of advertising health pornography psychology sport and celebrity culture Paul R Deslandes chronicles the shifting standards of male beauty in British culture from the rising cult of the athlete to changing views on hairlessness while connecting discussions of youth fitness and beauty to growing concerns about race empire and degeneracy From earlier beauty show contestants and youth obsessed artists the book moves through the decades into considerations of disfigured soldiers physique models body conscious gay men and celebrities such as David Beckham and David Gandy who populate the worlds of television and social media Deslandes calls on historians to take beauty and gendered aesthetics seriously while recasting how we think about the place of physical appearance in historical study the intersection of different forms of high and popular culture and what has been at stake for men in looking good

The Body in the Anglosphere, 1880-1920 Robert W. Thurston, 2021-12-30 Focusing on the body in every chapter this book examines the changing meanings and profound significance of the physical form among the Anglo Saxons from 1880 to

1920 They formed an imaginary but in many ways quite real community that ruled much of the world Among them racism became more virulent To probe the importance of the body this book brings together for the first time the many areas in which the physical form was newly or more extensively featured from photography through literature frontier wars violent sports and the global circus Sex sexuality concepts of gender including women s possibilities in all areas of life and the meanings of race and of civilization figured regularly in Anglo discussions Black people challenged racism by presenting their own photos of respectable folk As all this unfolded Anglo men and women faced the problem of maintaining civilized control vs the need to express uninhibited feeling With these issues in mind it is evident that the origins of today s debates about race and gender lie in the late nineteenth century
