Cultural Management Styles, Leadership and Decision-Making

Cultural management varies depending on the underplayed principles. Many traditions practiced in the Middle East usually do not give equivalent opportunities for both males and females. Females do not have a voice in society, and men prevail over them. This management system does not give women a chance to express their opinions. Hence, they are unable to exploit their potentials. Women in such countries cannot take up leadership roles because their decisions are not considered valid or valuable. They can, therefore, only involve themselves in large businesses but resort to small-scale businesses...

Battles in the Trenches Perry R. Rettig, 2022-07-18 Educational leaders work within a system that does not best leverage attributes of their professional employees. This book focuses on three areas: leadership, motivation and organization as they related to educational leadership. Each of these areas has a particular chapter devoted to it. Each chapter begins with a review of the extant literature covering the theme. 40 elite professional and Olympic athletes and coaches were interviewed for this book to learn their perspectives on what makes the best leaders in athletics in the

areas of leadership motivation and organization These interviews are subsequently interwoven into each of the three chapters outlined above The book concludes with a chapter that pulls all these aspects together and utilizes a newly created Leadership Congruency Model
