

Dear Mr. Jones,

As a professional writing teacher, I have supervised many students who have excelled in their academic achievements. From your resume, I have been informed that you are applying for a scholarship program at your institution and for the same reason, I recommend you for the program.

During her studies in academics throughout her school, she is reported to be a student who has been recognized by her teachers as a model student. Her work from the first class year was highly praised by her teachers and she was named a student leader in a school competition.

She is a perfect fit for the program because she is a student who is confident and capable of doing what she sets out to do.

Sincerely,

John Doe
