

CLOUD BANK

(Pointing to sky.) See that? Way up there? The gray thing near the sun that looks like a big mushed-out pillow. It's a cloud bank. That's what my grandpa says. What? What do they keep in a cloud bank? Silly! Everybody knows they keep baby clouds in a cloud bank. Why? So the baby clouds can grow and collect interest. Then, when the baby clouds have become mature — that's a grown-up word that means "grown-up" — the cloud mothers and fathers take their baby clouds out of the cloud bank and send them to cloud school, which is like our school except with no desks or chairs or homework. In cloud school the young clouds learn to make rain and snow and how to shelter birds from airplanes that get too close and how to cover the sun so it never gets too hot. Oh, and they also learn to form themselves into shapes that spell letters when God wants to say something to people on Earth. Now that's something I wish we could learn in our school.

ROLE CALL

Comic

Star just found out she didn't get the role she wanted in the school play — her best friend did. Upset, she tries to scare her friend out of playing the role.

Star: You got the role? You got cast as Annie? That role was mine. I'm perfect for it. What did I get? *(Beat.)* Understudy?! For you?! You've got to be kidding me! You can't even sing. I'm just telling you so you won't embarrass yourself in front of everyone. And you know that song, *(She sings.)* "The sun will come out, tomorrow"? That means the sun's *not* out. It will be rainy and cloudy and gloomy the whole time you work on the show! Plus, that woman is gonna be so mean to you because you're an orphan. And you don't even get a cat. Just a big, old, ugly dog! Gosh, I feel so bad for you. *(Beat.)* What? Will I do it for you? I don't know, it's a pretty pathetic role. *(Beat.)* Okay, okay, I'll do it. But only because you're my best friend.

Award winner: Comedy Monologue Competition, International Modeling & Talent Association, Los Angeles 2000 & 2001 Conventions.
