**The Common Core Companion: The Standards Decoded, Grades K-2** Sharon Taberski, Jim Burke, 2014-05-13 It's the teaching around the standards that counts. What makes Sharon Taberski's Common Core Companion that version of the standards you wish you had? It's the way Sharon translates each and every standard for reading, writing, speaking, and listening language and foundational skills into the day to day what you do. It's all here. The standards for literature and informational texts put side by side for easier planning. More than a dozen teaching ideas for each standard.

Recommendations on how to cultivate critical habits of mind. A glossary of academic language for each standard. An online bank of graphic organizers, reproducibles, charts, and more. **Your Literacy Standards Companion, Grades K-2** Sharon Taberski, Jim Burke, 2017-05-23 Standards based learning just got a lot easier. This new version of the Common Core Companion provides a Smart Chart Index for all states implementing state specific ELA standards. This index allows you to see in an instant which of your standards are the same as CCSS, which differ, and how, and which page number to turn to for standards based teaching ideas. Beyond that, it's the same great go-to guide for implementing the standards, translating each and every standard for reading, writing, speaking, and listening language and foundational skills into the day to day what you do.

In this timely handbook, author and reading expert Debbie Diller provides concrete guidance for tailoring the small group experience to literacy instruction. You'll learn how to assess student skills and needs, how to flexibly organize groups, and how to differentiate instruction to give every reader a pathway to success. Features include: Strategies and tools grouped by developmental reading stages. At a glance charts for assessing current skill level and identifying next instructional steps. Downloadable printables for planning and instructional use. Easy adaptations for use in online learning. Reflection prompts and guiding questions.
