ten years the third edition of the CFA Institute Investment Series Corporate Finance text has arrived with a decisive focus on the needs of today's investment professionals. Now titled Corporate Finance: Economic Foundations and Financial Modeling, this third edition outlines the essential tools, concepts, and applications within the discipline of corporate finance that businesses need to thrive. New and refreshed content on Environmental, Social, and Governance (ESG) considerations alongside foundational coverage of capital structure and measures of leverage empower readers to support the growth of their organizations and develop the skills to succeed in our current corporate world. Six new chapters expand this updated discussion of corporate finance via topics such as corporate structures and ownership, capital investments, business models, and risks, corporate restructuring, and more. The companion workbook, sold separately, offers problems and solutions aligning with the text and allows learners to test their comprehension of key concepts.

Through Corporate Finance: Economic Foundations and Financial Modeling, 3rd Edition, readers will become proficient in the following areas: Corporate structures and governance, Capital budgeting, Cost of capital, Measures of leverage, Business models, risks, and restructurings. CFA Institute is the world's premier association for investment professionals and the governing body for the CFA Program (CIPM Program). CFA Institute ESG Investing Certificate and Investment Foundations Program. Those seeking a deeper understanding of the fundamentals behind corporate finance will value the level of expertise CFA Institute brings to the discussion, providing a clear, comprehensive resource for students and professionals alike.

Corporate Finance Demystified
2/E Troy Alton Adair, 2011-01-07. The simple way to master corporate finance. The math, the formulas, the problem solving. Does corporate finance make your head spin? You're not alone. It's one of the toughest subjects for business students, which is why *Corporate Finance DeMYSTiFieD* is written in a way that makes learning it easier than ever. This self-teaching guide first explains the basic principles of corporate finance, including accounting, statements, cash flows, and ratio analysis. Then you'll learn all the specifics of more advanced practices, like estimating future cash flows, scenario analysis, and option valuation. Filled with end-of-chapter quizzes and a final exam, *Corporate Finance DeMYSTiFieD* teaches you the ins and outs of this otherwise confounding subject in no time at all. This fast and easy guide features an overview of important concepts such as time value of money, interest rate conversion, payment composition, and amortization schedules. Easy to understand descriptions of corporate finance principles and strategies, chapter-ending quizzes, and a comprehensive final exam to reinforce what you've learned and pinpoint problem areas. Hundreds of updated examples with practical solutions. Simple enough for a beginner but challenging enough for an advanced student. *Corporate Finance DeMYSTiFieD* is your shortcut to a working knowledge of this important business topic.
