Ethique Et Estheacutetique De La Perversion:

Ethique et esthétique de la perversion Janine Chasseguet-Smirgel, 2006 Apr s une discussion sur les th ories freudiennes de la perversion l auteure d veloppe sa propre th orie en s cartant des sch mas psychanalytiques classiques et en proposant une r flexion sur la condition humaine S appuyant sur des oeuvres litt raires Sade et Wilde et artistiques Bellmer elle analyse galement la nature des liens que la perversion entretient avec l esth tique **The World of Perversion** James Penney, 2012-02-01 In *The World of Perversion* James Penney argues that antihomophobic criticism has nothing to lose and indeed everything to gain by reclaiming the psychoanalytic concept of perversion as psychic structure Analyzing the antagonism between psychoanalytic approaches to perversion and those inspired by the work of Michel Foucault Penney explores how different assumptions about sexuality have determined the development of contemporary queer theory and how the universalizing approach to homosexuality in psychoanalysis actually leads to more useful political strategies for nonheterosexual subjects Having established this theoretical context Penney focuses on works by Georges Bataille Blaise Pascal Denis Diderot and Jacques Lacan tracing the implications of various sexual and moral understandings of the term perversion and illustrating how a psychoanalytic approach to the question of perversion enables politicized readings that are foreclosed by a Foucauldian methodology **The Work of Psychic Figurability** César Botella, Sara Botella, 2005 Based on experience of analytic practice and illustrated by fascinating clinical material this book addresses what the authors call the work of figurability as a way of outlining the passage from the unrepresentable to the representational *Reading Freud's Three Essays on the Theory of Sexuality* Philippe Van Haute, Herman Westerink, 2020-11-29 Sigmund Freud s 1905 *Three Essays on the Theory of Sexuality* is a founding text of psychoanalysis and yet it remains to a large extent an unknown text In this book Freud s 1905 theory of sexuality is reconstructed in its historical context its systematic outline and its actual relevance This reconstruction reveals a non oedipal theory of sexuality defined in terms of autoerotic non objectal physical pleasurable activities originating from the drive and the excitability of erogenous zones This book consequently not only calls for a reconsideration of the development of Freudian thinking and of the status of the Oedipus complex in psychoanalysis but also has a strong potential for supporting contemporary non heteronormative theories of sexuality It is as such that the 1905 edition of *Three Essays* becomes a highly relevant document in contemporary philosophical discussions of sexuality This book also explores the inconsistencies and problems in the original theory of sexuality notably the unresolved question of the transition from autoerotic infantile sexuality to objectal adult sexuality as well as the theoretical and methodological shifts present in later editions of *Three Essays* It will be of great interest to psychoanalysts and those with an academic interest in the history of psychoanalysis and sexuality **Feminizing the Fetish** Emily Apter, 2018-03-15 Shoes gloves umbrellas cigars that are not just objects the topic of fetishism seems both bizarre and inevitable In this venturesome and provocative book Emily Apter offers a fresh account of the complex relationship between representation and sexual obsession in turn of

the century French culture Analyzing works by authors in the naturalist and realist traditions as well as making use of documents from a contemporary medical archive she considers fetishism as a cultural artifact and as a subgenre of realist fiction Apter traces the web of connections among fin de siècle representations of perversion the fiction of pathology and the literary case history She explores in particular the theme of female fetishism in the context of the feminine culture of mourning collecting and dressing
