Nelson's Letters to Lady Hamilton and Related Documents Marianne Czisnik,2020-09-28 This critical edition of Admiral Nelson s letters to Lady Hamilton is to bring together the important letters of Nelson to Lady Hamilton that have only been published in parts over the last 200 years Only by bringing the letters of Nelson to Lady Hamilton together is it possible to assess their relationship and to present certain insights into Nelson s personality that are not revealed in his official correspondence Thorough research into this side of Nelson s personality and into the nature of his notorious and unconventional relationship with Lady Hamilton has been hampered in the past by a desire not to look too closely at Nelson s personal morality To a considerable extent their relationship was regarded as a challenge to traditional gender roles and it indeed did not conform to stereotypes that are usually attributed to men and women in a heterosexual relationship Lady Hamilton was so obviously lacking in the subservience and passivity expected from women in that era that authors over the course of time started to exclude her in their accounts of the public sphere by reducing her to a private weakness of Nelson s who could be successful at sea where he was far away from the enthralling influence of a manipulating woman The letters in this edition testify how Admiral Nelson s life at sea was not exclusively public nor was Lady Hamilton s life ashore solely private It also shows how the two supposedly separate spheres of male and female lives were connected A fresh approach and a thorough discussion of this important and neglected aspect not only of Nelson s life but of gender history demands this exact and scholarly edition of the primary material which consists of about 400 letters that Nelson wrote to Lady Hamilton over the course of the last seven years of his life and about a dozen letters of her to him that have survived

Rooms of Life – and the Beyond Inside Viktoria B. Knots,2022-10-26 For author Viktoria B Knots the different parts of her life feel like individual rooms In Rooms of Life and the BEYOND inside she examines her life as a series of rooms beginning with her early years and continuing through to the present day In her family Viktoria was known as the sensitive and serious child always in search of finding answers about the meaning and purpose of life Life s experiences reinforced these tendencies and heaved her onto the track of spirituality where she feels at home In 2007 an epiphany happened on a

spiritual journey in Egypt and two years later another one in Peru during a Shamanic ceremony with the so called vine of the soul Ayahuasca that opened a new understanding about life for her She was then sent on many a journey sometimes with a mission Overtone and sound healing began to fascinate her and she immersed in it Through visiting mediumistic and trance courses at the Arthur Findley College in England new fields opened communicating the message There is a vast field out there to be explored in the BEYOND inside We just have to dare go there for visits to help us in widening our consciousness
