Forgive And Forget English Edition:

Before 30 Discipleship English Version Philip Mantofa, Mulyadi Budiyo, M.A., Robert Kusnadi Bsc., Maria Lusiana M.Pd., 2024-02-01 It is my heart's desire to see the rise of this generation burning with fires of revival. A generation that hungers for the presence of the Holy Spirit and a personal encounter with Christ. A generation that is filled with power to do mighty works to heal the sick, to mend the wounded, to help the poor, and to be an answer for the nation's. A generation whose work and influence are not bounded only within the church vicinity; rather, their impact can be felt by their immediate families, communities at large, the entire nation, and even by other nations. Churches will experience revival, schools and campuses will be filled with an excellent generation, the marketplace will be revamped with trustworthy leaders, the nation's will rise up from economic, social, cultural setbacks and shine. I dream to see history being altered by this superior generation. I want to invite you to share the same dream with me in this journey of faith. A journey that alters the history of a generation and nation. Will the dream come true? The answer is with you and me. When we decide to respond to God's calling, be faithful in everything that we do, walk in His holiness, and plan, we will see God work wonders. Through this discipleship book, I believe that a new generation will rise and light up the nation. The principles contained in this book emanate from my direct personal experience with God. It is not a theoretical teaching but a walk of faith that I have gone through with Him. I want to share my life experience with you and invite you to join in. Prepare your luggage, fasten your seat belt, we will fly together and enter God's training camp and come out as history changers. Yours for revival, Ps Philip Mantofa. *Before 30 Discipleship Kids (ENGLISH VERSION)* Philip Mantofa, 2023-04-30 Before 30 Discipleship Kids is written in simple and easy-to-understand language with the purpose of discipleship. It is written so that children may understand and respond to God's call in their lives to bring their generation into God's glorious plan and to establish them into world changers. Attractively designed and colorful, the illustrations and comic will engage the readers. You can use it both for personal reflections and group discussions. Each chapter is designed to involve the readers in a life-changing spiritual adventure. **Waldo (English Version)** Klaus D. Wagner, 2015-12-17 Charlemagne's Christianisation of the pagans in the Dark Ages of Medieval Europe was brutal enough. It could have been far worse without Waldo, a more considered Christian by his side. Who was Waldo? I hear you ask. An original document written in Latin on sheepskin in the early middle ages verifies the donation of a Christian church by a certain Waldo in Seeburg, a small village in Southern Germany. No further historic records of this mysterious Waldo existed. I spent two years of intense research to unravel his alleged identity. I concluded that Waldo and Charlemagne, the mighty Carolus Magnus, were like the priest and the soldier who shared a lifelong bond forged in childhood. They saw themselves as Christianity's cross and sword put on earth by God to build and defend Christendom in medieval Europe. Both men differed in their approach to converting the pagans. Charlemagne, the soldier, believed in a swift decision and the beheading by sword of the unwilling. My god is your god. My will be done. Waldo, the priest, believed in a more gentle missionary way, bringing

salvation with bread wine and fear of the unknown and the promise of a better life in heaven Jesus died for us on the cross for our redemption Thy kingdom come Amen They also shared a terrible secret known only to themselves and God It is a secret that history failed to uncover in the last 1250 years Those who read this book with an open mind will hopefully care more about the authenticity of their spiritual experience than the historical authenticity of every chronicled aspect in this novel *THE REIGN OF GREED A COMPLETE ENGLISH VERSION OF EL FILIBUSTERISMO FROM THE SPANISH OF JOSÉ RIZAL*,2023-04-30 El Filibusterismo the second of Jos Rizal s novels of Philippine life is a story of the last days of the Spanish r gime in the Philippines Under the name of The Reign of Greed it is for the first time translated into English Written some four or five years after Noli Me Tangere the book represents Rizal s more mature judgment on political and social conditions in the islands and in its graver and less hopeful tone reflects the disappointments and discouragements which he had encountered in his efforts to lead the way to reform Rizal s dedication to the first edition is of special interest as the writing of it was one of the grounds of accusation against him when he was condemned to death in 1896 It reads
