

Dear College Signing Day Site Coordinators:

On behalf of the Tennessee Higher Education Commission (THEC), thank you for hosting a Tennessee College Signing Day event during the month of May at your school or organization. We hope the event will help bolster your efforts to expand the college-going culture of your school.

The purpose of College Signing Day is to build statewide excitement around going to college. For many years, College Signing Day was often associated with students signing athletic scholarships, but every student should have the opportunity to publicly celebrate their postsecondary plans. The event can also be an inspiring opportunity for younger students. By applauding seniors who are transitioning to higher education, younger students begin to form their own educational aspirations and plans. Additionally, schools that partner with local higher education institutions to implement College Signing Day have the opportunity to grow the relationship between local colleges, their school, and their students.

Please contact Mary Laphen, Statewide Services Coordinator for THEC's Office of P-16 Initiatives, at (615) 253-1155 or [mary.laphen@tn.gov](mailto:mary.laphen@tn.gov) if you have any questions or concerns about planning and implementing a College Signing Day at your school. We will keep you updated regarding any changes or additional information you may find useful.

Thank you in advance for your willingness to participate in this important college access event. Your participation will encourage Tennessee students and their families to make college a part of their future.

Sincerely,
