Workplace Christopher Nye, James Rounds, 2019-05-29 Vocational Interests in the Workplace is an essential new work tying together past literature with contemporary research to present the most comprehensive coverage on vocational interests to date. With increasing recognition of the importance of vocational interests and their relevance to the workplace, this book emphasizes the strong links between vocational interests and work behavior. It proposes new models and approaches that facilitate thorough exploration of the implications of this relationship between interests and practice. The authors, drawing on knowledge and experience from a range of professional backgrounds, cover essential topics including interest measurement, personnel selection, motivation, and performance. Expertise in meaningful work, effects of a global business environment, diversity, and the ongoing development of interests through adulthood to retirement. Endorsed by the Society for Industrial and Organizational Psychology board, this book is a valuable resource for researchers, professionals, and educators in the fields of human resources, organizational behaviour, and industrial or organizational psychology. **Forensic Microbiology** David O. Carter, Jeffery K. Tomberlin, M. Eric Benbow, Jessica L. Metcalf, 2017-03-27 Forensic Microbiology focuses on newly emerging areas of microbiology relevant to medicolegal and criminal investigations: postmortem changes, establishing cause of death, estimating postmortem interval, and trace evidence analysis. Recent developments in sequencing technology allow researchers and potentially practitioners to examine microbial communities at unprecedented resolution and in multidisciplinary contexts. This detailed study of microbes facilitates the development of new forensic tools that use the structure and function of microbial communities as physical evidence. Chapters cover: Experiment design, Data analysis, Sample preservation, The influence of microbes on results from autopsy, toxicology, and histology, Decomposition ecology, Trace evidence. This diverse, rapidly evolving field of study has the potential to provide high-quality microbial evidence which can be replicated across laboratories, providing spatial and temporal evidence which could be crucial in a broad range of investigative contexts. This book is intended as a resource for students, microbiologists, investigators, pathologists, and other forensic science professionals. *Handbook of Psychological Assessment in Primary Care Settings* Mark E. Third Series* Library of Congress. Copyright Office, 1970. [Studying European Theatre Audiences](#) Joshua Edelman, Attila Szabó, Hedi-Liis Toome, Marline Lisette Wilders, Antine Zijlstra, 2025-04-25 This book reports on one of the largest coordinated efforts to survey the theatrical audience experience: the City Study of the Project on European Theatre Systems, which conducted over 7000 surveys and dozens of interviews and focus groups with audience members from four mid-sized cities across Europe.

This study aimed to capture the details of how audiences perceive and value theatre and resulted in a data set which while imperfect has no precedent in scale and comparability for theatre studies Based on this very large data set the authors were able to create a portrait of varied segments of European theatrical audiences its experiences and how it values theatre that is more detailed and incisive than any previously available The question is not just who comes to theatre but why and how those experiences are valuable to them This book s key contribution however is methodological that offers a detailed and unsparing examination of the City Study s working methods their underlying theory their strengths and weaknesses and which survey and interview techniques were more successful in bringing out useful information This makes this book essential reading for those interested in studying theatre s place in society but also for artists policy makers and arts professionals who want to make and share work with an understanding of their audience s engagement with it

A Higher Education Equity Walk in The Struggle for American Identity Lenford Sutton ,2024-02-03 A Higher Education Equity Walk in the Struggle for American Identity offers a compelling case study by Lenford Sutton recounting the author s parallel experience as the first black man to serve as the tempered radical in a historically white learning community In the Southwest Drawing parallels with the tragic fate of Ahmad Aubry in an unwelcoming community Sutton sheds light on the visible and unseen cultural frameworks racial habits and value gaps leaders from non dominant groups navigate when pursuing Diversity Equity and Inclusion goals and objects within the university strategic plans of Historically White Institutions In addition it captures deep reflection from the experience reframing problems in the spirit of Design Thinking with particular emphasis on Empathy as the Gateway to problem solving Recognizing that Digital transformation both cultural and demographic shifts are the drivers of enormous changes that foster fear and increased uncertainty the text emphasizes the new learnings and recommendations for leaders operating in similar circumstances It connotes that tempered radicals often reside at the intersection of innovation and the status quo and in the current cultural and technological disruption of higher education can serve the institution well if deployed appropriately by university leadership to scale its culture
