Genesis Revisited A Re Look At The Beginning Of Time:

Genesis - Revisited : a Re-Look at the Beginning of Time Raja Daulat,2014-12-07 The book depicts **Genesis Revisited - the Creation** Donald Arlo Jennings PhD,2013-01-10 Those individuals who believe God created only two people in the garden of Eden may be surprised by the authors viewpoints expressed in this book The author uses the Bible as the foundation to explain what could be possible that God did create more worlds more planets and more people in His likeness allowing them to migrate through space travel to different worlds Some of these other world individuals may be present among us today **Genesis Revisited** Zecharia Sitchin,2002-03-01 Was Adam the first test tube baby Did nuclear fission destroy Sodom and Gomorrah How were the ancients able to accurately describe details about our solar system that are only now being revealed by deep space probes The awesome answers are all here in this important companion volume to The Earth Chronicles series Having presented evidence of an additional planet as well as voluminous information about the other planets in our solar system Zecharia Sitchin now shows how the discoveries of modern astrophysics astronomy and genetics exactly parallel what has already been revealed in ancient texts regarding the mysteries of alchemy and the creation of life Genesis Revisited is a mind boggling revelation sure to overturn current theories about the origins of humankind and the solar system *The Nsa Files, Code Name: Venusian in Black* Adrian P. Stubbs,2008-08-15 Inside the pages of The NSA Files one of America s most elite and relatively unknown agencies leads the war against all those that have as their main goal the destruction of the United States of America It is here where we find that the ultrasecret National Security Agency NSA is on the forefront of protecting America from its enemies many of whom seek to destroy it with both conventional and nuclear weapons The NSA is working closely with covert and overt agents from the FBI CIA DIA and operatives from the army s special forces units Delta Force and the U S Navy SEALs to ensure that the country remains free from the threat of terror and its citizens enjoy life as they wish without fear The NSA s counterintelligence team is led by Philip King a former lieutenant with the Norfolk Virginia Police Department He quickly advanced up the ranks of this secret intelligence agency to become an assistant director AD with responsibility for electronic countersurveillance *To Believe Or Not To Believe: The Social and Neurological Consequences of Belief Systems* Rahasya Poe,2009-11-06 To Believe or not To Believe The Social and Neurological Consequences of Belief Systems An in depth look at how we limit our conscious evolution by maintaining rigid belief systems that no longer serve us and are lacking any logic or reason considering today s advances in physics neuroscience and recent archaeological fi nds Neuroscience has shown that people who meditate have much higher brain coherence than people who don t this balance is thought to be the gateway for spiritual enlightenment which could be viewed as a bioneurological event Through a better understanding of reality and our relationship to it humankind will be able to see through the veils of illusion that keep us in constant confl ict with one another Included are interviews with Dr Bruce Lipton Dr Joe Dispenza Dr Andrew Newberg Fred Alan Wolf Neale Donald Walsch Lynne McTaggart Gary Zukav Amit Goswami
