[The Letters of John](#) Gary M. Burge, 2011-10-11 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context John weaves together themes of light and darkness falsehood and truth and what it means to be children of God in community He explores the theme of love as central to God's nature and thus as the defining characteristic of those who follow him The Letters of John teach us about handling conflict discerning orthodox belief and measuring Christian conduct Gary Burge shares perspectives on John's letters that reveal their enduring relevance for our twenty first century lives To bring the ancient messages of the Bible into today's context each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today's preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God's Word with the same powerful impact it had when it was first written

Neither Complementarian nor Egalitarian Michelle Lee-Barnewall, 2016-03-15 Regarding gender relations the evangelical world is divided between complementarians and egalitarians While both perspectives have much to contribute the discussion has reached a stalemate Michelle Lee Barnewall critiques both sides of the debate challenging the standard premises and arguments and offering new insight into a perennially divisive issue in the church She brings fresh biblical exegesis to bear on our cultural situation presenting an alternative way to move the discussion forward based on a corporate perspective and on kingdom values The book includes a foreword by Craig L Blomberg and an afterword by Lynn H Cohick *Imagining God* Humberto Casanova, 2020-02-05 An ever growing number of Christians are becoming more and more uncomfortable with the tenets of the church the stories of the Bible and the church's worldview Statistics show that these feelings easily escalate into a crisis of faith and for now their predicament is being resolved by leaving the church This book will certainly help dealing with the crisis by showing that the language of faith is built by a web of metaphors taken from the Ancient Near East We do not need to take biblical language literally but as parables for human values in need to be assessed critically **The Body God Gives** Robert S. Smith, 2025-02-19 What is the relationship between sex and gender Understand society's shifts in thinking and talking about sex and gender Discover how biological sex guides gender Recognize how the Bible speaks to gender and transgender Respond to affirming interpretations of Scripture Answer gender confusion with clarity and compassion In *The Body God Gives* A Biblical Response to Transgender Theory Robert S Smith argues that God intends a person's gender to be grounded in the reality of his or her biological sex the body God has given In making his case Smith critiques the central claim of transgender theory that the sexed body does not determine the gendered self He also evaluates contemporary changes in thought and speech about sex and gender responding to modern confusion with biblical conviction and compassion God speaks clearly both in his word and in his world *The Spirit of Atonement* Steven M. Studebaker, 2021-01-14 Steven M Studebaker proposes a Pentecostal approach to a major Christian doctrine the atonement The book moves Pentecostal theology of the atonement from a primarily Christocentric and crucicentric register to one that articulates the pneumatological and holistic nature of Pentecostal praxis Studebaker examines the irony of Classical Pentecostalism relying on the Christocentrism of Protestantism evangelical atonement theology to articulate its experience of the Holy Spirit as well as the Pneumatological nature of Pentecostal praxis He then develops a Pentecostal theology of atonement based on the biblical narrative of the Spirit of Pentecost and returns to re imagine an expanded vision of Pentecostal praxis based on the theological formation of the biblical narrative The result is a Pentecostal atonement theology that shows the integrated nature of pneumatology creation and Christology in the biblical narrative of redemption It gives theological expression to not only the pneumatological nature of Pentecostal praxis but also the fundamental role of the Holy Spirit in the biblical narrative of redemption The book challenges popular western atonement theologies to re think their Christocentrism and crucicentrism as well as their atomistic tendency to separate soteriology into objective Christological

and subjective pneumatological categories Bloodlines (Foreword by Tim Keller) John Piper, 2011-09-08 Genocide Terrorism
Hate crimes In a world where racism is far from dead is unity amidst diversities even remotely possible Sharing from his own
experiences growing up in the segregated South pastor John Piper thoughtfully exposes the unremitting problem of racism
Instead of turning finally to organizations education famous personalities or government programs to address racial strife
Piper reveals the definitive source of hope teaching how the good news about Jesus Christ actively undermines the sins that
feed racial strife and leads to a many colored and many cultured kingdom of God Learn to pursue ethnic harmony from a
biblical perspective and to relate to real people different from yourself as you take part in the bloodline of Jesus that is
comprised of every tongue tribe and nation **1 and 2 Timothy, Titus** Walter L. Liefeld, 2011-03-01 The NIV Application
Commentary helps you communicate and apply biblical text effectively in today's context To bring the ancient messages of
the Bible into today's world each passage is treated in three sections Original Meaning Concise exegesis to help readers
understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge
between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible

application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the
passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for
today's preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to
communicate God's Word with the same powerful impact it had when it was first written
