

BRIDGET JONES'S DIARY

1 Think about Bridget's lifestyle and complete the table below.

Bridget's lifestyle	Advantages	
	Disadvantages	

a/ In your country, is it common or unusual for women to be single and live alone in their thirties? Is it the same situation for men? What do you think is the average age that men/women get married in your country? At what age is it common to have a first child?

b/ In your own opinion, how important is it to get married? Can your career be as important as, or more important than, marriage and family? Write a paragraph giving your opinion with reasons.

2 Imagine you are Bridget Jones and you are writing a diary entry for 31 December one year after the end of the story. Include details of:

- where and with whom you spent the day (Mark Darcy? Daniel Cleaver? Another man? Alone?)
- what has happened in your life during the past year (career, health, friends) and which resolutions you have kept/broken
- what your parents are doing

Adorno, Thomas Mann, 2014-11-05 In December 1945 Thomas Mann wrote a famous letter to Adorno in which he formulated the principle of montage adopted in his novel *Doctor Faustus* The writer expressly invited the philosopher to consider with me how such a work and I mean Leverkühns work could more or less be practically realized Their close collaboration on questions concerning the character of the fictional composers putatively late works Adorno produced specific sketches which are included as an appendix to the present volume effectively laid the basis for a further exchange of letters The ensuing correspondence between the two men documents a rare encounter of creative tension between literary tradition and aesthetic modernism which would be sustained right up until the novelist's death in 1955 In the letters Thomas Mann openly acknowledged his fascinated reading of Adorno's *Minima Moralia* and commented in detail on the *Essay on Wagner* which he was as eager to read as the one in the *Book of Revelation* consumes a book which tastes as sweet as honey Adorno in turn offered detailed observations upon and frequently enthusiastic commendations of Mann's later writings such as *The Holy Sinner* *The Betrayed One* and *The Confessions of Felix Krull* Their correspondence also touches upon issues of great personal significance notably the sensitive discussion of the problems of returning from exile to postwar Germany The letters are extensively annotated and offer the reader detailed notes concerning the writings events and personalities referred or alluded to in the correspondence *The Saturday Review of Politics, Literature, Science and Art*, 1871 *The Athenaeum*, 1848 **Self Impression** Max Saunders, 2010-04-22 Ford Madox Ford *A Dual Life* Volume II *The After War World* Max Saunders *Norton's Literary Gazette and Publishers' Circular*, 1851 **The American Quarterly Register** B.
