Published, 2017-11-11 Johnny is the captain of the debate team. He has a reputation of a player chauvinist and a jerk. Someone has to stop him. The girls from an all-girls school conspire to capture, hypnotize, and brainwash him into a mindless obedient slave. Truly turning the table, this group of girls will humiliate him through repeated hypnosis, deep trance, detailed inductions, financial domination, role reversal, body control, mesmerize, power exchange, kissing, and mental conditioning. This is a classic mind control story made available for the first time on Kindle. **Elevator Hypnosis; Enslaved by 5 Women. Femdom Hypnotist Novel.** 888, III, Female Hypnotist Revolution Alliance, Deanna Littleton, 2024-09-06 Thomas, an arrogant businessman, thought he was in control of his world until he found himself trapped in an elevator with five seductive lipstick saleswomen: Alyssa, Emily, Jess, Rachel, and Chloe. The five female hypnotists had planned everything perfectly. They programmed the elevator to stop midway, sealing him inside with no escape. Surrounded and cornered, their bodies pressed against him, their breath heavy with the scent of perfume and gum, they began their assault. Hypnotic words, commands, and whispers barraged his mind until he simply couldn't resist their control. What began as an unexpected confrontation turned into an inescapable nightmare as the women took him back to their apartment, further brainwashing him to become their obedient servant. Every attempt Thomas made to escape was futile. Each time he tried to resist, they pounced on him, pressing their bodies close, whispering their hypnotic commands into his ear, smudging his face with lipstick and perfume until his mind succumbed again to their power. In this dark tale of female domination, *Elevator Hypnosis: Enslaved by 5 Women* follows the descent of Thomas as he is manipulated, controlled, and broken down piece by piece by the five women. From his initial capture in the elevator to his complete mental enslavement, the story explores the relentless power they hold over him. With vivid vignettes of his futile resistance and their growing control, Thomas becomes nothing more than a puppet fully under their command. Perfect for fans of dark hypnosis, female domination, and psychological control, this novel delves deep into the mind of a man who thought he could never be broken. The women control his every move, body and soul, ensuring that he will never escape their grasp again. He belongs to them now, forever. Included are 23 vignettes detailing how the five ladies exert hypnotic control over Thomas. Each vignette reads like a short story or flash fiction. The vignettes cover various themes: Thomas undergoing stage hypnosis, like humiliation, laughed at by the five female hypnotists; to being forced to take up chores as their hypnotized domestic slave; to completely submitting to the women as a financial slave. Each vignette chronicles his futile attempts to escape, only to be drawn back under their control through hypnotic commands, physical proximity, and overwhelming sensual manipulation. In the final vignette, Thomas's soul is taken from him in a realistic voodoo witchcraft ritual, leaving him a mindless zombie forever at the whim of these women. Whether he's surrounded in the elevator, humiliated in their apartment, or slowly broken down into complete servitude, Thomas is systematically stripped of his will, becoming nothing more than a puppet for their amusement and control. It is like buying 24 stories for the price of one. Also included are some pictures of the scenes to enhance the visual realism of the story.
