## **International Manual Hmrc:**

**Redesigning Petroleum Taxation** Emre Üşenmez, 2018-10-15 Since its inception some 40 years ago petroleum specific taxation in the UK has been subject to numerous modifications. Often these modifications were brought into place not only to sufficiently incentivise the investors but also to capture a fair share for the government. However it is evident from the frequency of changes that finding the right balance between these two aims is no easy matter. Such a balance and the consequent fiscal stability is necessary for the long term relationship between the parties to endure to their mutual benefit. Still it does not take much for one or other party to feel that they are out of balance. As a consequence one party feels that the other party is taking an undue proportion of the value generated and that they are losing out. Yet achieving that balance and fiscal stability is possible. To understand this possibility this book first clarifies what is meant by sufficient incentivisation and fair share before developing a new fiscal system that manages this balance and stability. Such clarification yields objective criteria against which to assess not only the existing regime but also the newly proposed regime. This approach is further complemented by the critical analysis of the fiscal legislative framework and the evaluation of the legal positions of specific contractual elements and mechanisms found within that framework. This latter analysis is important in order to reduce the legal uncertainty such elements may create which can otherwise lead to further reactive amendments and revisions to the fiscal regime in the future.

**A Practitioner's Guide To International Tax Information Exchange Regimes** Harriet Brown, Graeme Jackson, 2021-09-01 The recent introduction of the Directive on Administrative Cooperation in the field of taxation 6 DAC6 and mandatory disclosure regimes by many jurisdictions have led to a large number of professionals potentially being required to disclose information in relation to their clients arrangements. The authors analyse the operation of the various automatic exchange of information regimes which have been introduced in the last five years including the OECD common reporting standards DAC6 and MDR. They set them in their historical context as well as giving a technical analysis of the regimes. They focus on the guidance offered by the Irish and UK tax authorities with reference to other guidance in Europe and beyond where appropriate.

**Property Tax Planning** Philip Spencer, 2013-11-29 Property Tax Planning is an indispensable property guide for tax practitioners, property lawyers, surveyors and property owners. With worked examples throughout it clearly highlights the tax planning opportunities and potential pitfalls that may arise during property transactions in the UK. This logical and user friendly book is divided into four sections reflecting the four categories of property ownership: property investors, property dealers and developers, trading premises and private residences. Within each category all relevant tax planning areas are outlined chapter by chapter with reference to UK legislation and case law. The highly practical layout of this thirteenth edition will help to quickly establish problem areas and potential tax breaks. It has been fully revised and updated to the UK's latest Finance Act.

**Taxation of Derivatives and Cryptoassets** Oktavia Weidmann, 2024-06-10 Derivatives stand at the forefront of financial innovation continually evolving to accommodate new

asset classes and risk categories In the past decade the growing popularity of cryptoassets and ESG investments has sparked the development of a variety of innovative investment strategies and risk management tools including crypto and ESG derivatives and related structured products This new edition has similarly evolved Using illustrative examples it provides a comprehensive analysis of the key tax issues associated with derivatives and cryptoassets in domestic and cross border transactions and presents approaches that tax legislators could adopt to solve them The new edition also comments on recent trends in global tax policy such as the OECD Base Erosion and Profit Shifting BEPS 1.0 and 2.0 projects Throughout the book specific references are made to UK German and Swiss tax law The updated edition addresses the following topics economic and financial properties of derivatives and cryptoassets definition of derivatives for tax purposes and its application to crypto derivatives and ESG derivatives among others accounting treatment of derivatives and cryptoassets under IFRS UK German and US GAAP current tax legislation and policy alternatives to the taxation of derivatives and cryptoassets characterisation of derivatives gains and losses as income or capital and equity or debt accounting and taxation treatment of hedging transactions involving derivatives or cryptoassets accounting and taxation rules applying to structured products and hybrid instruments including crypto and ESG linked structured products withholding taxes on derivatives and the concept of beneficial ownership in domestic and cross border transactions and anti avoidance legislation applying to derivatives and cryptoassets including the domestic law implementation of BEPS Action 2 the EU Anti Tax Avoidance Directives ATAD I and II the tax transparency rules for cryptoassets DAC8 and Pillar Two This comprehensive book analyses recent developments in three intertwined areas of expertise financial products accounting and tax law It will be a valuable resource to tax professionals in their daily practice of advising companies banks and investment funds It will also be of interest to government officials and researchers engaged in the taxation of derivatives cryptoassets and ESG investment products

**Transfer Pricing and Financial Transactions** Michael Lang, Raffaella Petruzzi, 2022-03-16 Transfer pricing and financial transactions Issues and developments Since years issues related to transfer pricing and intra group financing are prominent in the agendas of both taxpayers and governments The extreme relevance of these topics and the need to address them has attracted the interest of various international organizations for a long time Already in 1972 the OECD emphasized that these topics required further attention and the 1979 OECD Transfer Pricing Report dedicated an entire chapter to issues concerning loans However the first OECD Transfer Pricing Guidelines issued in 1995 did not include a chapter on these issues Twenty five years later in February 2020 the OECD finally released its 2022 Transfer Pricing Guidelines on Financial Transactions that became Chapter X of the OECD Transfer Pricing Guidelines Meanwhile in 2021 the United Nations included these topics in Chapter 9 of its Practical Manual for Developing Countries With those welcomed recent developments from the OECD and the UN the topic is now being extensively discussed especially considering the necessary implementation of the guidance at the national level and the future answers from the tax courts at national and European

levels when dealing with this matter This publication discusses the most important issues and recent developments related to this topic Beginning with an in depth analysis on the accurate delineation of financial transactions it further deals with the specific transactions concerning loans financial guarantees and cash pooling This book is based on the outcomes of the presentations and discussions held during the WU Transfer Pricing Symposium held in October 2021 at the WU Vienna University of Economics and Business The authors apart from providing a theoretical background to the discussed issues also present case studies that show how those issues can be approached in practice

**Limiting Base Erosion** Erik Pinetz, Erich Schaffer, 2017-08-30 Limiting base erosion from different viewpoints Hybrid mismatch arrangements CFC rules transfer pricing rules Limiting Base Erosion the general topic for the master theses of the part time LL M program 2015 2017 has been one of the most controversial topics in international tax law ever since the initiation of the OECD BEPS Project in 2013 Even though the final reports of the 15 BEPS Actions were released by the OECD in as early as October 2015 the question how to effectively target base erosion practices still has not lost any of its topicality Following the efforts of the OECD in developing a new international tax environment the focus of attention has now partly shifted to the OECD Member countries that have to properly implement the OECD recommendations in their domestic laws as well as in their tax treaty practice In this respect a comprehensive analysis in the literature of all the issues related to base erosion proves to be of the utmost importance in order to provide practical guidance to the Member countries during that the process of implementation This book deals especially with four key areas of interest Limiting base erosion by neutralizing the effects of hybrid mismatch arrangements Limiting base erosion by strengthening CFC rules Measures against base erosion via interest deductions and other financial payments Limiting base erosion by improving transfer pricing rules On that basis 27 concrete topics were chosen in order to address the four key areas of interest from different viewpoints Base erosion and the challenges they present read more in Limiting Base Erosion

*Taxation of Entertainers and Sportspersons* Adrian Shipwright, 2024-11-16 A detailed guide to the taxation of entertainers and sportspersons to be released in three volumes and electronically There is no recent publication on this This publication is for the practitioner and others written by a practitioner who has been an academic Its design follows his way of working beginning with the basic materials and analysing them for application to any particular case It is a starting point for the adviser in a hurry It includes Key Points boxes to help as well as full contents for each Chapter There are also many tables and checklists There is often a further detailed analysis including on Article 17 OECD Model Treaty HMRC s published views on Image Rights the 1987 Regulations and DTR There is also a detailed Chapter on Avoidance It includes many examples Relevant statutory and related material are included in the text so everything is easily available Tax law requires an understanding of the legal analysis of the underlying matters Accordingly matters such as Image Rights or Personality Rights the Economic Torts Confidentiality and Passing Off are dealt with There is also a detailed case study at the end intended to bring matters together

Resolving Transfer Pricing Disputes Eduardo

Baistrocchi, Ian Roxan, 2012-12-06 Via a global analysis of more than 180 transfer pricing cases from 20 representative jurisdictions *Resolving Transfer Pricing Disputes* explains how the law on transfer pricing operates in practice and examines how disputes between taxpayers and tax administrations are dealt with around the world. It has been designed to be an essential complement to the OECD Transfer Pricing Guidelines for Multinational Enterprises and Tax Administrations which focus on transfer pricing issues but do not refer to specific transfer pricing disputes. All of the transfer pricing cases discussed in the book are linked to the relevant paragraphs of the OECD Guidelines by means of a Golden Bridge namely a table listing the cases according to the paragraphs of the Guidelines to which they refer. It therefore provides examples of the application of the Arm's Length Principle in many settings on all continents.

**International Taxation of Manufacturing and Distribution** John Abrahamson, 2016-02-18 The most thorough treatment of its subject available this book introduces and analyses the international tax issues relating to international manufacturing and distribution activities extending from the tax regime in the country where the manufacturing activities are located through to regional purchase and sales companies to the taxation of local country sales companies. The analysis includes the domestic tax laws relating to manufacturing and distribution company profits as well as international tax issues relating to income flows and the payment of dividends. Among the topics and issues analysed in depth are the following: foreign tax credits, taxation in the digital economy, tax incentives, intellectual property, group treasury companies, mergers and acquisitions, leasing, derivatives, controlled foreign corporation provisions, VAT and customs tariffs, free trade agreements and customs unions, transfer pricing, role of tax treaties, hedging, related accounting issues, deferred tax assets and liabilities, tax risk management, supply chain management, depreciation allowances and carry forward tax losses. The book includes descriptions of 21 country tax systems and ten detailed case studies applying the analysis to specific examples. Detailed up to date attention is paid to the OECD Action Plan on Base Erosion and Profit Shifting (BEPS) and other measures against tax avoidance. As a full scale commentary and analysis of international taxation issues for multinational manufacturing groups including in depth consideration of corporate structures, tax treaties, transfer pricing and current developments this book is without peer. It will prove of inestimable value to all accountants, lawyers, economists, financial managers and government officials working in international trade environments.

**The World Is Your Office** Prithwiraj Choudhury, 2025-04-22 A research based deep dive into a growing phenomenon: companies allowing employees to work from anywhere and how those who adopt this model can boost talent, innovation and productivity. As the debate around remote versus in office work rages on, leaders in a wide range of industries continue to implement radically flexible work practices allowing most if not all of their employees to work from anywhere. Why? They understand that geographic flexibility offers a competitive advantage: the ability to attract and retain top talent globally. In *The World Is Your Office* Harvard Business School professor Prithwiraj Choudhury, who has been studying this phenomenon for over a decade, takes readers inside the trailblazing companies that are going all in on work from

anywhere WFA policies From startups and nonprofits to government agencies and large corporations Choudhury s research shows why and how these organizations and their employees are benefiting Drawing insights from this pioneering research Choudhury also provides an extensive playbook for implementing successful WFA policies offering leaders concrete strategies to Use WFA as a means of hiring and retaining the best talent Effectively manage WFA teams share knowledge and combat isolation Leverage AI and automation to extend WFA into manufacturing and other deskless roles Design programs that attract talent to different regions Filled with actionable insights and extensive case studies The World Is Your Office empowers leaders to embrace the future of work *Multinational Enterprises and the Law* Peter Muchlinski,2021-02-18 *Multinational Enterprises and the Law* is the only comprehensive contemporary and interdisciplinary account of the techniques used to regulate multinational enterprises MNEs at the national regional and multilateral levels In addition it considers the effects of corporate self regulation and the impact of civil society and community groups upon the development of the legal order in this area The book has been thoroughly revised and updated for this third edition making it a definitive reference work for students researchers and practitioners of international economic law business corporate and commercial law development studies and international politics Split into four parts the book first deals with the conceptual basis for MNE regulation It explains the growth of MNEs their business and legal forms and the relationship between them and the effects of a globalized economy and society now increasingly challenged by recently revived nationalist economic policies upon the evolution of regulatory agendas in the field In addition the limits of national and regional jurisdiction over MNE activities are considered a question that arises throughout the specialized areas of regulation covered in the remainder of the book Part II covers the main areas of economic regulation including controls over and the liberalization of entry and establishment tax company and competition law and the impact of intellectual property rights on technology diffusion and transfer A specialized chapter on the regulation of multinational banks in the wake of the global financial crisis is new to this edition Part III introduces the social dimension of MNE regulation covering labour rights human rights and environmental issues Finally Part IV deals with the contribution of international investment law to MNE regulation and to the control of investment risks covering the main provisions found in international investment agreements their interpretation by international tribunals the process of investor state arbitration and how concerns over these developments are leading to reform proposals

**OECD/G20 Base Erosion and Profit Shifting Project Making Dispute Resolution More Effective - MAP Peer Review Report, United Kingdom (Stage 2) Inclusive Framework on BEPS: Action 14** OECD,2019-08-13 This report reflects the outcome of the stage 2 peer monitoring of the implementation of the Action 14 Minimum Standard by the United Kingdom which is accompanied by a document addressing the implementation of best practices which can be accessed on the OECD website **Tax Reform and the Tax Treatment of Debt and Equity** United States. Congress. House. Committee on Ways and Means,United States. Congress. Senate. Committee on Finance,2013 **Transfer Pricing and Dispute**

**Resolution** Anuschka Bakker, Marc M. Levey, 2011 This book addresses the complexity valuation and administrative nuances and cultural impacts of resolving this significant cross border issue when tax disputes arise In recent years transfer pricing has become in financial terms the most important tax issue faced by multinational companies and tax authorities worldwide In times of economic downturn as experienced in recent years when tax authorities are challenged for revenue the handling of these issues requires great care skill creativity and a true awareness of the ramifications confronting each tax jurisdiction This book sets out in detail not only the general laws in each tax jurisdiction impacted by the multinational companies transfer pricing practices but also the ancillary concerns of how the issue is interpreted locally as well as related to the OECD Guidelines the varied approaches to administrative resolution of these issues including specific alternative dispute resolution mechanisms and the effective uses of advance pricing agreements correlative adjustment procedures in the event of transfer pricing adjustments cross border exchange of information concerns and how to proceed to litigation if all else fails administratively It is here that the book delves into the specific procedures for litigation in each country which must be evaluated as part of the overall strategy for controversy resolution Unfortunately today litigation is on the rise in numerous jurisdictions and the presumption of an administrative resolution is no longer correct An additional feature of this book is how practical anecdotes are intertwined into the analysis to give the reader a sense of pragmatism for these issues To this point there are the various case studies which highlight the technicalities of the local rules customs and practices

**OECD/G20 Base Erosion and Profit Shifting Project Making Dispute Resolution More Effective - MAP Peer Review Report, United Kingdom (Stage 1) Inclusive Framework on BEPS: Action 14** OECD, 2017-09-26 This report reflects the outcome of the stage 1 peer review of the implementation of the Action 14 Minimum Standard by the United Kingdom which is accompanied by a document addressing the implementation of best practices

**Transfer Pricing and Developing Economies** Joel Cooper, Randall Fox, Jan Loeprick, Komal Mohindra, 2017-01-05 Recent years have seen unprecedented public scrutiny over the tax practices of Multinational Enterprise MNE groups Tax policy and administration concerning international transactions aggressive tax planning and tax avoidance have become an issue of extensive national and international debate in developed and developing countries alike Within this context transfer pricing historically a subject of limited specialist interest has attained name recognition amongst a broader global audience that is concerned with equitable fiscal policy and sustainable development Abusive transfer pricing practices are considered to pose major risk to the direct tax base of many countries and developing countries are particularly vulnerable because corporate tax tends to account for a larger share of their revenue This handbook is part of the wider WBG engagement in supporting countries with Domestic Resource Mobilization DRM by protecting their tax base and aims to cover all relevant aspects that have to be considered when introducing or strengthening transfer pricing regimes The handbook provides guidance on analytical steps that can be taken to understand a country's potential exposure to inappropriate transfer pricing transfer mispricing and

outlines the main areas that require attention in the design and implementation of transfer pricing regimes A discussion of relevant aspects of the legislative process including the formulation of a transfer pricing policy and the role and content of administrative guidance is combined with the presentation of country examples on the practical application and implementation of the arm's length principle and on running an effective transfer pricing audit program Recognizing the importance of transfer pricing regulation and administration for the business environment and investor confidence this handbook aims to balance the general objective of protecting a country's tax base and raising additional revenue with investment climate considerations wherever appropriate

**Transfer Pricing and Business Restructurings** Anuschka Bakker, 2009 This book highlights the main tax issues that arise when business restructurings take place It provides fundamental information about the drivers of business restructurings and business models examines the application of Art 9 of the OECD Model Convention and considers not only the direct tax issues in business restructuring but also VAT and customs duties It gives practical insights into the tax accounting treatment of business restructurings OECD work in progress and the effect of the EU tax system and includes a case study concerning the restructuring of a manufacturing operation which is analysed from the perspective of key industrial jurisdictions along with an examination of current practice

Zurich Tax Handbook 2015-16 Gerald Mowles, Anthony Foreman, 2015-09-24 The Zurich Tax Handbook should be on the bookshelf of every independent financial adviser as well as many higher rate tax payers Pensions World The Zurich Tax Handbook 2015 16 is your annual authoritative guide to the UK tax system and how it may affect you or your clients It explains the key aspects of taxation providing worked examples checklists definitions and tax saving hints This edition includes full information from the 2014 Autumn Statement the March 2015 Budget the July 2015 Budget and the Finance Act 2015 Key features include A digest at the beginning of the book which summarises the main tax changes for 2015 16 Over 120 key tax notes to help save you money Detailed advice on how to reduce tax liabilities for yourself and your clients Comprehensive information on tax allowances and thresholds Guidance on how to complete tax returns on time and without penalties Gerald A Mowles is the founder of BBL UK Services LLP London He is a US and UK tax accountant with over two decades of experience in dealing with high net worth individuals and their tax affairs Tony Foreman is an Associate with BBL He is a Fellow of the Chartered Institute of Taxation and has specialised in tax planning since 1975

Beneficial Ownership in Tax Law and Tax Treaties Pablo A Hernández González-Barreda, 2020-05-28 This book explores the concept of beneficial ownership in equity law the domestic tax laws of the United Kingdom Canada and the United States as well as its varied and increasing uses in international tax law By analysing the evolution of beneficiary rights in equity and the use of beneficial ownership wording in tax law the book draws a roadmap for dealing with beneficial ownership in both national and international tax law This approach highlights those common misconceptions that can be avoided by understanding the origins of the concept and its engagement with equity as well as the differences with tax law However the book does not limit

itself to dealing with theoretical discussion but also offers an instructive and detailed practical case study Offering both academic commentary and a practitioner focus the book will be of the utmost interest to scholars and practitioners from common and civil law countries dealing with tax and estate law particularly given beneficial ownership s increasing relevance

**Technological Progress, Inequality and Entrepreneurship** Vanessa Ratten, 2019-08-29 Although there have been considerable technological advances over the past decade particularly in terms of mobile applications much remains unknown about their effect on societal progress This book focuses on how inequality and entrepreneurship are both by products of technological change The book provides insights into how society has shifted from consumer division to human centrality and helps readers gain a better understanding of the positive and negative effects of entrepreneurship

## **International Manual Hmrc Book Review: Unveiling the Magic of Language**

In a digital era where connections and knowledge reign supreme, the enchanting power of language has are more apparent than ever. Its capability to stir emotions, provoke thought, and instigate transformation is actually remarkable. This extraordinary book, aptly titled "**International Manual Hmrc**," published by a highly acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound affect our existence. Throughout this critique, we shall delve in to the book is central themes, evaluate its unique writing style, and assess its overall influence on its readership.

## International Manual Hmrc Introduction

In today's digital age, the availability of International Manual Hmrc books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of International Manual Hmrc books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of International Manual Hmrc books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing International Manual Hmrc versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, International Manual Hmrc books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing International Manual Hmrc books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for International Manual Hmrc books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a nonprofit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of

certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, International Manual Hmrc books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of International Manual Hmrc books and manuals for download and embark on your journey of knowledge?

### **FAQs About International Manual Hmrc Books**

1. Where can I buy International Manual Hmrc books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a International Manual Hmrc book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of International Manual Hmrc books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.

6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are International Manual Hmrc audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read International Manual Hmrc books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
