Blackbird Broken Keri Arthur,2020-10-26 On the darkest day in the darkest hour when all hope has been extinguished a hand will draw the one true sword and a lost throne shall be reclaimed Generations of De Montfort women have protected the sword in the stone Gwen is the last of them following in the footsteps of her grandmother Moscelyne But the sword has now been drawn and the new Witch King may well be working with Darkside Now the race is on to find the missing artifacts that will stop the king accessing the full power of the sword But as the attacks escalate and the fractured clues of history are slowly pieced together Gwen Mo and Luc Durant the motorbike riding warrior from an ancient order of knights quickly realize all is not as it seems Worse still the true source of the plot to unleash Darkside and restore witch rule is far closer to home than any had guessed But as new prophecies rise and the truth of the sword in the stone becomes clear another race begins One that will end with a crown a throne and the fate of all England as its prize What people are saying about Keri Arthur s Novels BLACKBIRD BROKEN will have your heart in your throat from the beginning to the end And when you come to the last word I guarantee you will want more Annetta Sweetko Fresh Fiction This is possibly one of the most unique stories I ve ever read It is sensational Keri Arthur is always a good read The plot characters magical world is tightly and beautifully written and you can t help but fall into this Lots of action and great lore all through this Lisa Goodreads for Blackbird Broken OMG This was one hell of a final showdown that had me on the edge of my seat I love this series it is absolutely amazing and the characters are so addictive Rhonda Goodreads for Deadly Vows The Witch King s Crown Series Witches Magic Shapeshifters Demons Urban Fantasy Romance Fantasy Romance Sword in the Stone Knights of the Round Table Action and Adventure Lady in the Lake Strong Female Lead **The Angry Eye of God** Rodney A Henderson,2018-03-30 Could a Born again Christian with the Bible be a match for today s top secular Scientists trained in General Relativity and Quantum Physics laws Especially when it comes to answering the most far reaching and important question of all times Does The Eternal God of the Bible exist The answer is a resounding Yes Now the leading scientific authorities of today refer to Him merely as an intelligent designer most denying either His existence or His relevance But God has His witnesses mainly the Bible and those who believe in it and in Him actually all of creation At the core of this book is one of today s most incredible scientific discoveries The Black Hole There is nothing like it in this universe Scientists are awed by its power and baffled by its mysteries They ve learned so much about it but we ve discovered something even more revealing This is that the Bible speaks of the Black Hole long before it was even imagined by scientists The Lake of Fire also known as Outter Darkness is what is it called in the Bible I believe these is ample scientific evidence to back up the claim that these two entities are one and the same although it s doubtful that the researchers intended such evidence to prove what is clearly an antithesis to them The esteemed astrophysicist Stephen Hawking once said that black holes are not the eternal prisons as once thought It

is ironic that as it turns out the exact opposite is true Some Black Holes are actually created by the Eternal God of the Bible as an Eternal Prison This revelation should shock us awake in a manner that is at once horribly chilling and glorious devine Imagine what could be worst than entering a black hole and being destroyed How about the actual certainty of being thrown onto one someday and not being destroyed but instead being tormented alive inside forever Better to bow now before a loving Savior than to be under the fearsome gaze of The Angry Eye of GOD at His Great White Throne Judgement Kiss the Son lest he be angry and you perish from the way when his wrath is kindly but a litte Blessed are all they put their trust in Him Psalms 2 12 **Unlit** Keri Arthur,2018-05-15 **Magic Mised** Keri Arthur,2021-02-23 Her husband might be dead but her problems are far from over Lizzie Grace had hoped that Clayton s death would bring some normality back into her life But not only does her father remain intent on interfering now that he knows she can manipulate wild magic but the High Witch Council has sent in an investigator to uncover her part in Clayton s murder But a bigger threat has arrived on the reservation One that wears flesh and blood and is intent on revenge And it ll kill anyone who gets in its way **Blackbird Rising** Keri Arthur,2020-02-03 A modern fantasy novel inspired by the King Arthur legend For hundreds of years the Witch King s sword has been buried in stone awaiting the next hand to draw it Many have tried None have succeeded Gwen is the last in a long line of De Montfort witches whose duty it is to protect the sword of all power But when she returns to King Island to perform the blessing a mysterious pulse of blue light tells her that someone has attempted to draw the sword Before she can investigate any further demons attack She only survives with the help of a mysterious stranger who disappears as quickly as he appears Gwen and her grandmother Moscelyne soon discover that minor gateways into Darkside the traditional home of both demons and dark elves are being forced open by magic Even worse someone is now sending demons after the Witch King s heirs As vital artifacts are stolen by Darkside and the deaths draw altogether too close to home Gwen and Mo with the help of old gods and an ancient order of knights once thought dead scramble to unravel the clues and stop the murderous would be king from claiming the crown If they fail and the wrong hand draws the sword of power he can unlock the main gateway into Darkside and unleash utter hell onto an unsuspecting and unprepared England What people are saying about Keri Arthur s Novels **Blackbird Rising** was an intense and richly detailed novel One that I still haven t been able to get out of my head and it s been almost a week I loved this novel and Arthur s take on Arthurian legend and the long term impact that lore would have Quirky Cats Fat Stacks of Books OMG This was one hell of a final showdown that had me on the edge of my seat I love this series it is absolutely amazing and the characters are so addictive Rhonda Goodreads for **Deadly Vows** **BLACKBIRD BROKEN** will have your heart in your throat from the beginning to the end And when you come to the last word I guarantee you will want more Annetta Sweetko Fresh Fiction The Witch King s Crown Series Witches Magic Shapeshifters Demons Urban Fantasy Romance Fantasy Romance Sword in the Stone Knights of the Round Table Action and Adventure Lady in the Lake Strong Female Lead *Texas Haunted Forts* Elaine Coleman,2001 Near forgotten tales of life and death on
