Pollak, 2000-08-04 Absorbing and incisive The Erotic Whitman makes an important contribution not only to our understanding of the dynamics of nineteenth century literary history but also more generally to American studies and gender stdies in particular to the increasingly lively study of the subject now called masculinities Sandra Gilbert author of Wrongful Death A Medical Tragedy and with Susan Gubar of The Madwoman in the Attic The Erotic Whitman moves skillfully between Whitman s use of the sexualized body and his dreams for the body politic drawing on Whitman's biography to provide newly informed illuminating readings of his work This work should place Pollak solidly alongside other elite Whitman scholars such as Michael Moon M Jimmie Killingsworth and Betsy Erkkila Emory Elliott Distinguished Professor of English University of California Riverside This is an incisive venturesome carefully argued contribution to an often discussed but still insufficiently understood dimension of Whitman s life writing and significance its biographical historical bases its aesthetics its cultural political implications. One may at certain points dispute but at no point fail to respect Pollak's thoughtful unfolding of her subject from Whitman's early family life to the myth of democratic maternalism in his later poetry Lawrence Buell author of The Environmental Imagination

Thoreau Nature Writing and the Formation of American Culture This is an imaginative and sensitive book about the profoundly personal sources of Whitman's poetry in his relations with his family and his male lovers Through illuminating readings of Whitman s early fiction his various editions of Leaves of Grass and Democratic Vistas Pollak argues that Whitman s democratic and homoerotic dream vision is frequently at odds with the realities of his life as son brother and lover Pollak s scholarship is impressive and massive and she brings new insights to bear on many dimensions of Whitman's life and writing She is particularly attentive to the place and plight of women in Whitman's work Her book will be widely read and appreciated especially by Whitman scholars and others interested in the psychosexual and biographical sources of art Betsy Erkkila author of Whitman the Politcal Poet 2014 Novel & Short Story Writer's Market Rachel Randall, 2013-08-14 The best resource for getting your fiction published The 2014 Novel Short Story Writer's Market is the only resource you ll need to get your short stories novellas and novels published As with past editions Novel Short Story Writer's Market offers hundreds of listings for book publishers literary agents fiction publications contests and more Each listing includes contact information submission guidelines and other important tips You ll also find an increased focus on all aspects of the writing life from insightful articles on craft and technique to helpful advice on getting published and marketing your work The 2014 Novel Short Story Writer's Market offers everything a fiction writer needs to achieve publishing success Check out interviews with award winning author Man Martin Days of the Endless Corvette and Paradise Dogs and best selling author and writing instructor James Scott Bell Plot Structure and Conflict Suspense 2012 Novel & Short Story Writer's Market Adria Haley, 2011-08-15 The Best Resource Available for Getting Your Fiction Published For more than 30 years Novel Short Story Writer's Market has provided aspiring authors with the most complete and up to date information they need on publishing their work This edition is the best yet with more than 1 500 listings and more Edited byial content than ever before with interviews and articles from industry insiders on pertinent topics like the importance of developing your prose style creating a voice and authentic dialogue appropriate to your genre strategies for self publishing and tips and tools to help you manage the time you spend on perfecting your craft You also gain access to Thorough indexes that make choosing the best potential markets easier A 1 year subscription to WritersMarket com s searchable online database of fiction publishers comes with print version only A free digital download of Writer's Yearbook featuring the 100 Best Markets Includes an exclusive 60 minute FREE WEBINAR with the staff of Writer's Digest Books that will teach you how to write query letters that get results I can t imagine a fiction writer of any stripe not having this in their library James Scott Bell author of The Art of War for Writers and Write Great Fiction Plot Structure This invaluable writer s resource is the foundation on which real dreams are built A wise and necessary investment River Jordan author of The Miracle of Mercy The Marquis and the Mistress Meagan Hatfield, 2008-02 Although reluctant to leave his fianc Francois de La Roche Land reluctantly embarks on a mission at sea for the King Marooned and forgotten on an island that eventually claims all but 10 of
