## The American Dream

The American Dream is the idea that any US citizens can become successful regardless of their background. The American Dream has two parts:

- Americans believe the rights and freedoms they are guaranteed under the US Constitution benefits them. These rights include the right to free speech and the right to freely elect their representatives and government.
- The American Dream also includes the idea that any American can become rich if they get an education, work hard and develop their skills. Some of the richest people in the world are American. The US is a **capitalist country** where wealth is mostly created and owned by individuals.
