Bowman III,2023-11-30 A complete historical and constitutional analysis of impeachment by a leading scholar who participated in both Trump impeachments Siege Michael Wolff,2019-06-04 Michael Wolff author of the bombshell bestseller Fire and Fury once again takes us inside the Trump presidency to reveal a White House under siege Just one year into Donald Trump s term as president Michael Wolff told the electrifying story of a White House consumed by controversy chaos and intense rivalries Fire and Fury an instant sensation defined the first phase of the Trump administration now in Siege Wolff has written an equally essential and explosive book about a presidency that is under fire from almost every side At the outset of Trump s second year as president his situation is profoundly different No longer tempered by experienced advisers he is more impulsive and volatile than ever But the wheels of justice are inexorably turning Robert Mueller s witch hunt haunts Trump every day and other federal prosecutors are taking a deep dive into his business affairs Many in the political establishment even some members of his own administration have turned on him and are dedicated to bringing him down The Democrats see victory at the polls and perhaps impeachment in front of them Trump meanwhile is certain he is invincible making him all the more exposed and vulnerable Week by week as Trump becomes increasingly erratic the question that lies at the heart of his tenure becomes ever more urgent Will this most abnormal of presidencies at last reach the breaking point and implode Both a riveting narrative and a brilliant front lines report Siege provides an alarming and indelible portrait of a president like no other Surrounded by enemies and blind to his peril Trump is a raging self destructive inferno and the most divisive leader in American history **The Clinton Charisma** Donald T. Phillips,2025-06-25 It is often overlooked but Bill Clinton assumed the presidency in one of the most difficult times in our nation s history The country was in a deep recession the end of the Cold War had created new threats to our national security and our health care system was in shambles The country has now come full circle Leadership has been replaced with self interest cronyism and fear More than ever Bill Clinton s candor and success in adversity warrant revisiting during this age of a closed door administration and governmental incompetence The Clinton Charisma is a fascinating prescriptive guide that reveals the former president s complex leadership techniques including his attention to public opinion his ability to take quick corrective action and his efficient damage control in the face of political and personal difficulty From diversity to decisiveness from consensus to compromise each chapter explores how Clinton employed important leadership principles and the ways in which they were or were not effective The author asks in

the introduction Are there lessons to be learned from his time in office from his damage control strategies from his ability to implement diversity or from his decision making process The answer as Donald T Phillips s *The Clinton Charisma* makes compellingly clear is yes **An Independent View of the Donald J. Trump Presidency** William Smith,2023-04-26 This book continues the chronological look at the inner workings of our government in the last two years of Donald Trump s administration and the resulting insurrection He has lost the investigative power of the House of Representatives in the midterm election but still controls the Senate under the compliant leadership of Mitch McConnell Now he needs to find a willing Attorney General in order to control the Judiciary Branch He finds that in William Barr President Trump has been emboldened by newly appointed A G Barr with his dismissal of the Special Counsel Robert Mueller investigation With the help of compliant Republicans in Congress he believes that he can do no wrong Unfortunately our deep division in American thinking has been created by individuals and organizations that are using our beloved internet for their own selfish purposes Across this communication highway we have mainstream conservative and social media all vying for our attention Good intentions seem to be overwrought by predatory ambitions This constant stream of sensationalized misinformation has created a storm of hateful division Wayward focus groups are urged to gather together and fight for the causes that they have been directed to believe in the truth be damned What is most frightening about this change in American lifestyle is that the President of the United States is primarily responsible for this deep division Donald Trump is a master manipulator He will do whatever is necessary to obtain control using whomever he can to succeed and punishing all who oppose his ambitions Trump has forever made elaborate and baseless claims about election fraud even after the Electoral College confirmed Joe Biden s victory on December 14 Five days later he tweeted Big protest in DC on January 6th Be there will be wild He then tweeted seven more times calling attention to the event including one on January 1 that included the phrase Stop the Steal In this book I continue my conversations with die hard Trump supporters Unlike his bigoted and brutal MAGA insurrectionists these people are our everyday friends and family What I have learned with these debates is that their beliefs and expressive language mimic those of the numerous hosts of Fox News programming They steadfastly cling to outrageously unbelievable conspiracy theories that are promoted by guests on Fox News and other far right conservative media Read what they have to say and my response then decide for yourself where and why this misinformation is so destructive *The Crisis* ,1998-11 The Crisis founded by W E B Du Bois as the official publication of the NAACP is a journal of civil rights history politics and culture and seeks to educate and challenge its readers about issues that continue to plague African Americans and other communities of color For nearly 100 years The Crisis has been the magazine of opinion and thought leaders decision makers peacemakers and justice seekers It has chronicled informed educated entertained and in many instances set the economic political and social agenda for our nation and its multi ethnic citizens **The New Broadcasting Realities** Ken Lindner,2011
