Misled Allen Parr, 2023-06-13 The gospel is under attack today not only from outside cultural forces but also from within the church In Misled popular YouTuber and Bible teacher Allen Parr equips readers to identify and withstand seven of the most common false teachings that undermine the gospel and lead many well meaning Christians astray For an anxious and weary world the gospel of Jesus Christ is the one true source of deep peace and lasting joy But today many supposedly Christian teachers are spreading ideas that amount to what Paul called another gospel The result A generation of believers confused about what God really says what he offers and what he wants for his children From the heavy burden of legalism to an overemphasis on prosperity or spiritual gifts to warped understandings of grace every false teaching has two things in common they all use half truths that look and sound biblical making them very

difficult to identify and they all harm and discourage those who are trying to follow the way of Jesus In Misled Allen Parr weaves together stories from his own spiritual journey and the lives of those he ministered to in order to show the painful consequences of following false teachings and to provide clear explanations of what the Bible really teaches about the gospel Readers will learn about seven of the most misleading and harmful messages that run rampant within the church today be equipped to identify not only wolves in shepherd s clothing who peddle counterfeit gospels but also well intentioned teachers whose half truths are no less harmful to the church and discover how they can find the freedom peace and joy that only comes from embracing the gospel in all its purity and simplicity With the same balanced Bible based approach that has made Parr s YouTube channel a go to resource Misled offers clarity and hope for anyone who has felt discouraged or confused in their spiritual journey and invites readers to find everything they ve been searching for in the true gospel **Christ's**

Teaching of Judgment to Christians David Rivington,2017-07-06 Christ s Teaching of Judgment to Christians by David Rivington The most terrifying words ever spoken by the Lord Jesus Christ were spoken to Christians to His own disciples when He said Not everyone who says to Me Lord Lord shall enter the kingdom of heaven but he who does the will of My Father in heaven Many will say to Me in that day Lord Lord have we not prophesied in Your name cast out demons in Your name and done many wonders in Your name And then I will declare to them I never knew you depart from Me you who practice lawlessness Matthew 7 21 23 What does Jesus mean What are Christ s warnings to professing 21st century Christians today This book is written to answer Christ s own teaching to these questions and God s judgment upon every professing Christian I know of no chapter in all of Scripture which needs to be taught and explained to Christians in this modern superficial and confused Church age more than Matthew chapter 7 David Rivington **The Suicide of American**

how the Word of Faith operates as a distinct worldview that parses the world through the lens of faith's causative power to affect a direct correspondence between present reality and Eden's perfection. The findings advance a critical and therapeutic approach that acknowledges how the worldview both strengthens and subverts Pentecostalism. Now! Faith (A Sojourners Guide to the Fourth Dimension) Colin Lambert, 2018-04-18. This book is about friendship with the Holy Spirit, submission to the Lord Jesus Christ, and principles that will produce fruit in a believer's life. It is about faith principles and the outworking of practical theology in the life of a believer. Read about modern day revival on an individual and world wide scale. It is written with a view to empower the individual and the local church to fulfill the great commission. The author doesn't shrink away from discussing issues that often prove divisive to many Christians but prefers to face them head on offering practical solutions.

The Spirit of Praise Monique M. Ingalls, Amos Yong, 2015-06-18. In *The Spirit of Praise* Monique Ingalls and Amos Yong bring together a multidisciplinary scholarly exploration of music and worship in global pentecostal charismatic Christianity at the beginning of the twenty first century. *The Spirit of Praise* contends that gaining a full understanding of this influential religious movement requires close listening to its songs and careful attention to its patterns of worship. The essays in this volume place ethnomusicological, theological, historical, and sociological perspectives into dialogue. By engaging with these disciplines and exploring themes of interconnection, interface, and identity within musical and ritual practices, the essays illuminate larger social processes such as globalization, sacralization, and secularization, as well as the role of religion in social and cultural change. Aside from the editors, the contributors are Peter Althouse, Will Boone, Mark Evans, Ryan R. Gladwin, Birgitta J. Johnson, Jean Ngoya, Kidula Miranda Klaver, Andrew Mall, Kimberly Jenkins Marshall, Andrew M. McCoy, Martijn Oosterbaan, Dave Perkins, Wen Reagan, Tanya Riches, Michael Webb, and Michael Wilkinson. INSINCERE, IRRELEVANT, INVALID Dustin M. Fugate, 2022-04-04. Whether it be over politics, religion, or types of flooring in their houses, the younger generations seem to always end up falling short of the older generation's standards. Perhaps deservedly so, the younger generations are keenly aware of the criticisms they receive from their elders, especially when it comes to the Church and Christianity. Join Dustin as he navigates through the religious and cultural foundations in which the younger generations were reared and search for clues as to why the younger generations always seem to get stuck with the brunt of the blame for the current state of the Modern Church. Who is truly at fault? Did these younger generations get dealt a bad hand? Or are they just selfishly abusing and carelessly handling what was given to them? *Insincere, Irrelevant, Invalid* seeks to shed light on what has happened to these younger generations and help readers understand exactly why there is such a rapidly growing schism between the Modern Church and the younger generations while properly defining what Church is, who it is for, man's role, and why we worship.

What the Bible Says about Speaking in Tongues John Argubright, 2014-05-22 The Biblical gift of speaking in tongues is the supernatural gift from God of speaking in a known foreign language to unbelievers without any previous knowledge or training in that language And what is spoken in that foreign language is the Gospel of Jesus Christ The main purpose is in order that Christ and Him crucified would be preached to all nations in a language that the hearer would understand Yet today many wolves in sheep clothing have perverted what the true gift of speaking in tongues really is and have replaced it with all sorts of false doctrines This Bible study teaches verse by verse on this topic teaching what the Bible says as compared to what the heretics of today have to say who are deceiving Christians by telling them to pray in ecstatic utterance that was once only associated with demonic possession And as you will see a very dangerous doctrine is being spewed from the tongues of these false prophets

Ackerley, 2016-07-28 Many twenty first century evangelical charismatics in Britain are looking for a faith that works They want to experience the miraculous in terms of healings and Godsent financial provision Many have left the mainstream churches to join independent charismatic churches led by those who are perceived to have special insights and to teach principles that will help believers experience the miraculous But all is not rosy in this promised paradise and when people are not healed or they remain poor they are often told that it is because they did not have enough faith This study discovers the origin of the principles that are taught by some charismatic leaders Glyn Ackerley identifies them as the same ideas that are taught by the positive confession health wealth and prosperity movement originating in the United States The origins of the ideas are traced back to New Thought metaphysics and its background philosophies of subjective idealism and pragmatism These principles were imported into the UK through contact between British leaders and those influenced by American word of faith teachers Glyn Ackerley explains the persuasiveness of such teachers by examining case studies suggesting their miracles may well have social and psychological explanations rather than divine origins **Christianity in Crisis** Hank Hanegraaff, 2012-06-18 Nearly two decades ago Hank Hanegraaff's award winning Christianity in Crisis alerted the world to the dangers of a cultic movement within Christianity that threatened to undermine the very foundation of biblical faith But in the 21st century there are new dangers new teachers who threaten to do more damage than the last These are not obscure teachers that Hanegraaff unmasks We know their names We have seen their faces sat in their churches and heard them shamelessly preach and promote the false pretexts of a give to get gospel They are virtual rock stars who command the attention of presidential candidates and media moguls Through make believe miracles urban legends counterfeit Christs and twisted theological reasoning they peddle an occult brand of metaphysics that continues to shipwreck the faith of millions around the globe God cannot do anything in this earthly realm unless we give Him permission Keep saying it I have equality with God talk yourself into it Being poor is a sin The Jews were not rejecting Jesus as Messiah it was Jesus who was refusing to be the Messiah to the Jews You create your own world the same way God creates His He speaks and things happen you speak and they happen Christianity in Crisis 21st Century exposes darkness to light pointing us back to a Christianity centered in Christ From the Preface Having lost the ability to think biblically postmodern Christians are being transformed

from cultural change agents and initiators into cultural conformists and imitators Pop culture beckons and postmodern Christians have taken the bait As a result the biblical model of faith has given way to an increasingly bizarre array of fads and formulas
