Kenny And The Dragon Comprehension Questions:

Animism and the Question of Life Istvan Praet, 2013-08-15 The central purpose of this book is to help change the terms of the debate on animism a classic theme in anthropology It combines some of the finest ethnographic material currently available including firsthand research on the Chachi of Ecuador with an unusually broad geographic scope the Americas Asia and Africa Edward B Tylor originally defined animism as the first phase in the development of religion The heyday of cultural evolutionism may be over but his basic conception is commonly assumed to remain valid in at least one respect there is still a broad consensus that everything is alive within animism or at least that more things are alive than a modern scientific observer would allow for e g clouds rivers mountains It is considered self evident that animism is based on a kind of exaggeration its adherents are presumed to impute life to this that and the other in a remarkably generous manner Against the prevailing consensus this book argues that if animism has one outstanding feature it is its peculiar restrictiveness Animistic notions of life are astonishingly uniform across the globe insofar as they are restricted rather than exaggerated In the modern Western cosmology life overlaps with the animate Within animism however life is always conditional and therefore tends to be limited to one s kin one s pets and perhaps the plants in one s garden Thus it emerges that our modern biological concept of life is stranger than generally thought

Soul of the Dragon Karil Wade, 2003-02-10 A dark and stormy night an atmosphere of fear and dread Horror The tales of nightmares and frightening realms of reality only a turn of the page away The fiction of horror a place our imaginations go so eagerly filling our minds with alternative ways of thinking and feeling Training for bigger truths to come Soul of the Dragon a story of innocence and evil puts us inside a killer s skin as hostage witness to violent acts of murder Revealing that this killer never acts alone Beyond death s door the dragon waits for any opening into our world Needing only a moment s hesitation at a point just past one s death when a being is unwilling to let go of human bonds The dragon s doorway into our world of the living Only the innocent thoughts of a young boy can send it back But not before its wrath is wrought
