

The book cover features a close-up, artistic photograph of a person's bare torso. The person's skin is a warm, golden-brown tone. A green, textured object, possibly a centaur's leg or a piece of fabric, is visible on the left side of the torso. The background is a soft, out-of-focus green, suggesting a natural setting. The author's name is at the top, and the title is at the bottom.

Kept By The Centaurs:

Fight For Survival Eric Pavlik, 2023-01-30 Tad awakens and goes downstairs to his father's study. As he sits down in a chair, his father begins to tell him he is dying and doesn't know why. He tells him how his brother Luther helped the Dark One invade their kingdom. At the age of sixteen, his dad had to lead his people into battle. They fought very hard, but there were too many goblins and trolls. Then the men in black and his army came from the swamps and helped save their kingdom. Tad sets out with Kentrel, the captain of the Royal army. As he searches for a cure for his father, he realizes he knows nothing about the land or its subjects. He knows he must learn quickly how to survive. During his journey, Tad develops feelings for a girl that is half elf. He meets a knight who is wanted for treason. He finds himself being saved from the slave runners by three brothers who are on their own quest to find their family. Tad soon finds that they are about to be invaded again. This time by men and dragons who want the precious metals that are deep in the Dwarven Mountains. They are summoned by Tad's father, the king, to a council to prepare for the invasion. Where he meets Bash of the ogres, Grundy of the dwarfs, Natharal of the elves, and Thunder of the centaurs. He learns about a giant named Bill. As he battles the invaders, he learns how to fight and trust in his instincts. He learns that the black dragon, the biggest and strongest, is trying to kill the gold dragon and her eggs. As Tad looks out at the battlefield, he realizes he has become a man. He's fallen in love, gained some brothers. Now he needs to survive this last battle so the brothers can go find their family.

The Priestess' Bridegroom Valsirion Scharona, 2023-05-02 King Rediva had summoned the Rhodian Centaurs to help in the war against the Unicorns' Peace Empire. However, the warriors unexpectedly meet the most beautiful mare of all time and fall head over in love with the beauty. Now this mare is of all things, one of the highest ranking priestesses of the Black Unicorn, the king's enemy in the flesh, and also enjoys a very high reputation among the unicorns. Nevertheless, the centaurs set off to dare to show up before the Lord of the Order and ask for the mare's hand. This one instead sends them on a murderous quest.

Centaur Planet Thom L. Nichols, 2010-03 Magic messed up everything. It always chose the worst time to screw everything up. Billy was fine. He kept his magical life away from his normal life, and he was happy. Then everything happened at once. Billy's passion was football. It was simple. It was enjoyable. It was pure. There was only one way to play, and the thought that magic couldn't corrupt it. Then someone cheated, and his world fell apart. The most amazing player in decades turned out to be cheating magically. There was nothing Billy could do about it. The NFL was a fantasy place. It was on TV, and it was real, but it was so far away. Yes, Billy could use magic; he had magical friends, but he was just a fast food closing manager. He couldn't do anything about anything. Then everyone in the world suddenly spontaneously transforms into centaurs. They don't transform into the traditional equine lower body with a human upper torso; they become centaurs with the lower bodies of a variety of animals. The world is decimated overnight. People find themselves too small or too big for their vehicles. Cars and planes careen out of control, and there is massive loss of life. Everything is affected from food production to transportation to football players. The whole world is in chaos. Finding

out that one of his magical friends was inadvertently associated with the transformation Billy learns that a magical event was going to take place in the near future It s called Brianna s Call and it is the return of magic to the Earth The only way that the world can transform back into their human bodies is for them to intercept Brianna s Call In order to do that Billy must join his favorite NFL team and take them to the championship game Brianna s Call is going to touch down on Super Bowl Sunday at the Super Bowl Along the way Billy must confront the cheating NFL player battle powerful wizards intent on collecting Brianna s Call for themselves and deal with a jealous girlfriend The Centaur not fabulous.
