

Kerala Government Calendar 2014

Rajat Verma

Kerala Government Calendar 2014:

Fiscal Control of Pollution Rajat Verma, 2021-07-08 This volume analyses the process and structure of ecotaxes in India to bring forth its rationale application and incidence on emerging environmental problems on the backdrop of the environmental issues confronted by the Indian economy Being at infant stage in India the concept of ecotaxes is plagued with large empirical difficulties This book provides a holistic understanding of the complexities in the design and implementation of these fiscal instruments at the country level After elaborating on the theory history of its applications the book provides an innovative methodological exercise It examines the adequacy and relevance of ecotaxation in the Indian context along with ensuring that the distortions due to the proposed levy are minimised The incidence of these taxes on the households the double dividend hypothesis and the effect on competitiveness of the producer are a few of the core themes elaborated upon in this book This is demonstrated through a linear general equilibrium framework of Environmentally extended Social Accounting Matrix E SAM The book provides material for the researchers and graduate students on the methodological structure of eco taxes The proposed methodological intervention could be utilised by the researchers who wish to analyse the macroeconomic impact of any tax through the framework of Social Accounting Matrix SAM Additionally the process as well as the implications and nuances provided in the book will assist the policy makers to design innovative policies for dealing with environmental issues The volume also has something for the practitioners by helping them comprehend various effects of these instruments on different stake holders of the economy and thus will be useful as a policy prescription The three policy scenarios analysed in this study could be considered by the policymakers while attempting to design these instruments in the Indian context and thus ending the extensive reliance on the age old and grossly ineffective Command and Control CAC Policies

Investigating Cultural Aspects in Indian Organizations Vijay Pereira, Ashish Malik, 2015-04-16 The purpose of this edited collection is to analyse the cultural aspects of Indian organizations As the world's largest and most diverse democracy Indian society can be best described as an amalgam of multiple cultures value systems socio political and institutional orientations This book offers a theoretical and empirical basis for understanding the evolving and changing nature of these aspects in Indian organizations The World Bank predicts that in the near future India will become the world's second largest economy The recent high growth rates reported by businesses in the Indian economy needs to be sustainable especially amidst its high cultural diversity Whilst there is tremendous interest in understanding the intricacies of Indian culture and a growing literature focusing on topics such as India specific management and internationalization strategies of Indian firms the cultural aspects of Indian businesses have been largely ignored This book aims to fill this gap It covers various topics in organizational culture and management such as human resource management cross cultural communication and coaching cultural similarity cultural literacy multiculturalism generational cultural values talent acquisition and knowledge management It also features case studies from high growth sectors such as the IT and health industries

Presenting contributions from local Indian and international researchers this book provides a multidimensional perspective that will appeal to students scholars and practitioners interested in organizational culture and management in India

Water and Energy International ,2014 **Global Secularisms in a Post-Secular Age** Michael Rectenwald,Rochelle Almeida,George Levine,2015-10-16 Global Secularisms addresses the state of and prospects for secularism globally Drawing from multiple fields it brings together theoretical discussion and empirical case studies that illustrate on the ground extant secularisms as they interact with various religious political social and economic contexts Its point of departure is the fact that secularism is plural and that various secularisms have developed in various contexts and from various traditions around the world Secularism takes on different social meanings and political valences wherever it is expressed The essays collected here provide numerous points of contact between empirical case studies and theoretical reflection This multiplicity informs and challenges the conceptual theorization of secularism as a universal doctrine Analyses of different regions enrich our understanding of the meanings of secularism providing comparative range to our notions of secularity Theoretical treatments help to inform our understanding of secularism in context enabling readers to discern what is at stake in the various regional expressions of secularity globally While the bulk of the essays are case based research the current thinking of leading theorists and scholars is also included **Indian Entrepreneurship** Jay Mitra,2020-12-15 This book provides cutting edge insights into factors issues and instruments that foster entrepreneurship and innovation in its various guises in India the fastest growing economy in the world today India s future is predicated upon the capabilities of its people and organisations to identify and develop new products services types of organization and new forms of economic and social engagement with producers consumers institutions and her citizens The book addresses four critical factors people technology organisations and society It evaluates how Indian entrepreneurs utilise their range of key skills and entrepreneurial competencies in local and transnational environments It explores how software and technological development and the reorganisation of the public research infrastructure are leading to a transformation of our organisations and our capacity to develop new ones Further it examines the role of socially unity driven entrepreneurship and community based innovation centred round the arts and culture in urban and rural settings in promoting socially oriented transformation The book aims to offer a small but rich portfolio of India s unique entrepreneurial capabilities **Agriculture in an Urbanizing Society Volume Two** Rob Roggema,2016-12-14 In two volumes selected papers presented at the sixth AESOP conference on Sustainable Food Planning are brought together representing the academic work of worldwide experts in the fields of food planning and urban agriculture This volume therefore provides an overview of the latest state of the art research in the field drawing from areas such as spatial planning urban design governance social innovation entrepreneurship and local initiatives among others to represent the current knowledge base for creating sustainable urban food projects **The Rough Guide to South India & Kerala (Travel Guide eBook)** Rough Guides,2023-10-01 This practical travel guide to South India Kerala features detailed
