It stays with you and lives in you. Joseph, her late husband, remains a tutelary presence providing wisdom and life lessons through eidetic memories, dreams, and visions from the Other Side. It's good to hear you're not ready to die. The next step is to want to live. Once you've ascertained that you can begin living more positively guided by your heart. Signs are everywhere and they hold powerful messages. Some are suggestive, others intuitive. Many originate in the Universe. Many are sent from beyond the veil. Join the author as she looks to the Universe and follows her intuition. Consider how signs might provide you with new insight or invite you to walk down a different path. It takes time, understanding, strength, and courage to heal. Answers for your survival and growth are within you.

CONFLUENCE Peter Brodowski, 2015-07-23 On the Crem home world the high council was in session. The Earth Project Leader reported that phase one is complete and successful. The satellite sent to depopulate the Earth has effectively completed its mission and the planet is now virtually devoid of human inhabitants. The council enquired as to the fate of phase two, the pilot plot at the so called farm house. The Project Leader was momentarily diffident then continued in a confident manner admitting that contact was lost with the pilot plot and has not as yet been reestablished. However, reports up to the moment that communication was lost indicated that plants had been rooted and were thriving. The Project Leader

advised the council that phase three the activation of three selected Earth confluence locations 38N 86W 38N 87W and 38N 88W was proceeding as planned In anticipation of successful startups at those locations construction of the processing plant at nearby 39N 86W was also being initiated For this an Engineer was being dispatched to direct the activities of humanoid worker drones that will be transported to the location Security will be provided by canine drones under the Engineers supervision At the moment the Crem known to Alex and Mattie as the voices were themselves in conference It is advisable that we maintain a low profile for the time being stated Speaker 1 The Earth Project Leader has terminated some of our allies on the home world That resource will be difficult to replace Speaker two Are we in this listening post in danger as well Not at the present time replied Speaker 1 I have it on good authority that the Project Leader while still suspicious of the events at the farm house is confident that internal opposition to the project has been expunged Prudence dictates that for the time being we not engage in any activity to suggest otherwise Let us not give the Project Leader any reason to believe that the opposition is still viable So the fledgling and her progenitor are on their own asked Speaker 3 For the time being yes but remember we have sent them a resource said Speaker 1 Keywords Science Fiction Speculative Fiction Fiction Aliens
