Leaked Papers November 2014:

Disrupting Investigative Journalism Amanda Gearing, 2021-06-29 This book makes the case for the enormous potential embodied in investigative journalism if reporters collaborate in the digital sphere and engage with emerging techniques and technologies Bringing together personal narratives from investigative journalists who have successfully found verified and published stories using social media platforms and Web based communications Disrupting Investigative Journalism explores the risks and benefits that come from this kind of digital collaboration Citing how digital connection has enabled reporters around the world to form the International Consortium of Investigative Journalists which in turn led to such global news sensations as the Panama Papers and the Paradise Papers this book makes a practical argument for how the daily work of investigative journalism can change to capture enormous latent potential This is a valuable text for students and scholars in the fields of investigative journalism media and digital communication

Palestine Ltd. Toufic Haddad, 2016-07-28 Since the 1993 Oslo Accords the Occupied Palestinian Territory has been the subject of extensive international peacebuilding and statebuilding efforts coordinated by Western donor states and international finance institutions Despite their failure to yield peace or Palestinian statehood the role of these organisations in the Israeli Palestinian conflict is generally overlooked owing to their depiction as tertiary actors engaged in technical missions

Black Money and Tax Havens R Vaidyanathan, 2023-10-23 Just how much black money is there in India Estimates vary from 10 per cent to 20 per cent of our GDP Conservatively Rs 15 lakh crore 10 per cent of Rs 150 lakh crore our GDP in 2016 17 As for Indian money in tax havens around the world Around Rs 65 lakh crore Truly astounding figures Black money or kala dhan is a topic that has elicited much debate in recent times This has been mostly marked by mudslinging and name calling and the discussions that have ensued often have no basis in fact While most people have a hazy notion of black money only a few understand it in its entirety The issue of tax havens is perhaps even more misunderstood Most people fail to see the connection between tax havens and black money Black Money and Tax Havens is the first work that discusses both of these issues in depth and offers a 360 degree view to the reader In this work R Vaidyanathan provides the reader with a brief overview of black money its generation its estimates and how and why it is spirited away to tax havens He also lays bare the danger that is posed to world financial well being on account of the lack of political will to tackle these issues A unique and timely work this book packs in much information in an accessible manner

Deepening Neoliberalism, Austerity, and Crisis Julien Mercille, Enda Murphy, 2015-07-07 From bank bailouts to austerity Europe's and Ireland's response to the economic crisis has been engineered specifically to shift the burden of paying for the crisis onto ordinary citizens while investors financiers bankers and the privileged are protected The authors expose the class based nature of Ireland's crisis resolution

The Dirty Secrets of the Rich and Powerful James-Brent Styan, 2024-06-01 In 2018 the world watched as 82 per cent of all wealth created was claimed by the top 1 per cent of the global population The bottom 50 per cent of

humanity saw no increase at all While one new billionaire was created every two days one in every four South Africans were living on less than R18 per day not enough to buy a loaf of bread Inequality has always been part of the world we live in but in the past twenty years the situation has worsened We have seen the rise of mega corporations where regional companies have become global players power brokers that are richer and more powerful than most countries This has seen businesses record ever increasing profits while they pay ever decreasing taxes How is this happening In South Africa millions of people depend on the services and products of mega corporations but to what extent do these corporations influence and affect the lives of their consumers What do these companies do with all the power that is in their hands In *The Dirty Secrets of the Rich and Powerful* James Brent Styan casts the spotlight on economic inequality and unpacks historical and ongoing business practices that have a real influence on people today This book takes you right into the corridors of power and behind the closed doors of the boardrooms of the rich and powerful to show you how and why the status quo seems so unfair

Anti-Money Laundering and the Law Engin Erken,Umut Turksen,2024-08-27 This book provides a distinctive and critical analysis of the anti money laundering AML measures that have been put in place in T rkiye and the United Kingdom The work presents a comparative analysis of if and to what extent the AML regimes in these jurisdictions are fit for purpose in countering some of the most pressing predicate crimes It investigates the AML regimes relating to tackling the riskiest most prevalent predicate crimes that is drug trafficking and tax crimes thereby filling a significant gap within the current literature The study provides insights into the effectiveness and efficiency of national AML frameworks adopted by T rkiye and the UK in addressing distinct crimes thereby identifying essential features of an optimum AML ecosystem that could effectively address predicate crimes regardless of their nature This novel approach offers a detailed analysis of the law in books and law in practice elements of the AML regimes in T rkiye and the United Kingdom which will set the tone for conducting similar studies in other jurisdictions The book will be of interest to academics researchers and policy makers working in the areas of Financial Crime Law Enforcement and Comparative Law *Research Handbook on the Economics of Tax Havens* Arjan Lejour,Dirk Schindler,2024-12-09 This Research Handbook provides a broad overview of research on tax havens across the fields of economics and accounting as well as political science and tax law Covering both corporate income tax avoidance and personal income tax evasion it investigates their profound impact on individuals multinational firms governments and the global economy as a whole *On Unemployment, Volume II* Mark R. Reiff,2015-10-07 With unemployment at historically high rates that show signs of becoming structural there is a pressing need for an in depth exploration of this economic injustice Unemployment is one of the problems most likely to put critical pressure on our political institutions disrupt the social fabric of our way of life and even threaten the continuation of liberalism itself Despite the obvious importance of the problem of unemployment however there has been a curious lack of attention paid to this issue by contemporary non Marxist political philosophers *On Unemployment* explores the moral implications of the problem of

unemployment despite the continuing uncertainty involving both its causes and its cures Reiff takes up a series of questions about the nature of unemployment and what justice has to tell us about what we should do if anything to alleviate it The book comprehensively discusses the related theory and suggests how we might implement these more general observations in the real world It addresses the politics of unemployment and the extent to which opposition to some or all of the book's various proposals stem not from empirical disagreements about the best solutions but from more basic moral disagreements about whether the reduction of unemployment is indeed an appropriate moral goal This exciting new text will be essential for scholars and readers across business economics and finance as well as politics philosophy and sociology

Cybersecurity in the European Union George Christou, 2016-01-26 Cybercrime affects over 1 million people worldwide a day and cyber attacks on public institutions and businesses are increasing This book interrogates the European Union's evolving cybersecurity policies and strategy and argues that while progress is being made much remains to be done to ensure a secure and resilient cyberspace in the future

Shadow Wars Christopher Davidson, 2016-10-06 For more than a century successive US and UK governments have sought to thwart nationalist socialist and pro democracy movements in the Middle East Through the Cold War the War on Terror and the present era defined by the Islamic State the Western powers have repeatedly manipulated the region's most powerful actors to ensure the security of their own interests and in doing so have given rise to religious politics sectarian war bloody counter revolutions and now one of the most brutal incarnations of Islamic extremism ever seen This is the utterly compelling systematic dissection of Western interference in the Middle East Christopher Davidson exposes the dark side of our foreign policy dragging many disturbing facts out into the light for the first time Most shocking for us today is his assertion that US intelligence agencies continue to regard the Islamic State like al Qaeda before it as a strategic but volatile asset to be wielded against their enemies Provocative alarming and unrelenting Shadow Wars demands to be read now

Capacity Mechanisms in the EU Energy Market Leigh Hancher, Adrien De Hauteclocque, Malgorzata Sadowska, 2015 Ensuring an adequate long term energy supply is a paramount concern in Europe The security of a country's energy supply must be guaranteed and within the EU individual member states are acting in order to safeguard future energy production Governments now intervene by encouraging investment in generation capacity offering an additional revenue stream for conventional power plants in addition to the existing heavily subsidized investments in renewable energy sources These capacity remuneration mechanisms or simply capacity mechanisms have become a hot topic in the wider European regulatory debate European electricity markets are increasingly interconnected so the introduction of a capacity mechanism in one country not only distorts its national market but may have unforeseeable consequences for neighboring electricity markets If these mechanisms are adopted by several member states with no supra national coordination and no consideration for their cross border impact they may cause serious market distortions and put the future of the European internal electricity market at risk These national developments are giving great cause for concern and without a clear

understanding of capacity mechanisms and their potential consequences it is difficult to predict the impact these measures will have on the internal European electricity market This book provides readers with a thorough explanation and analysis of capacity mechanisms written by an expert team of policy makers economists and legal professionals It will be a first point of reference for regulators and policy makers responsible for designing optimal capacity mechanisms in Europe and will be an invaluable resource for academics and practitioners in the fields of energy regulation and competition

The Laundromat (previously published as *SECRECY WORLD*) Jake Bernstein, 2017-11-21 Secrecy World is the inspiration for the Major Motion Picture *The Laundromat* from Director Steven Soderbergh Starring Meryl Streep Gary Oldman and Antonio Banderas A two time Pulitzer Prize winning journalist takes us inside the world revealed by the Panama Papers a landscape of illicit money political corruption and fraud on a global scale A hidden circulatory system flows beneath the surface of global finance carrying trillions of dollars from drug trafficking tax evasion bribery and other illegal enterprises This network masks the identities of the individuals who benefit from these activities aided by bankers lawyers and auditors who get paid to look the other way In *Secrecy World* the Pulitzer Prize winning investigative reporter Jake Bernstein explores this shadow economy and how it evolved drawing on millions of leaked documents from the files of the Panamanian law firm Mossack Fonseca a trove now known as the Panama Papers as well as other journalistic and government investigations Bernstein shows how shell companies operate how they allow the superwealthy and celebrities to escape taxes and how they provide cover for illicit activities on a massive scale by crime bosses and corrupt politicians across the globe Bernstein traveled to the Caribbean Latin America Europe and within the United States to uncover how these strands fit together who is involved how they operate and the real world impact He recounts how Mossack Fonseca was exposed and what lies ahead for the corporations banks law firms individuals and governments that are implicated *Secrecy World* offers a disturbing and sobering view of how the world really works and raises critical questions about financial and legal institutions we may once have trusted

Political Handbook of the World 2016-2017 Tom Lansford, 2017-03-31 Published since 1928 the Political Handbook of the World provides timely thorough and accurate political information with more in depth coverage of current political controversies and political parties than any other reference guide The updated 2016 2017 Edition continues this legacy as the most authoritative source for finding complete facts and analysis on each country's governmental and political makeup Political science and international relations scholars have revised this edition and made understanding complex foreign affairs and political situations easy and accessible With more than 200 entries on countries and territories throughout the world housed in one place these volumes are renowned for their extensive coverage of all major and minor political parties and groups in each political system They also provide names of key ambassadors and international memberships of each country plus detailed profiles of more than 30 intergovernmental organizations and United Nations agencies This comprehensive update will include coverage of current events issues crises and controversies from the course of the last two

years including The closely watched U S presidential election The effect of the Brexit referendum and installment of a new British prime minister The extensive investigation and subsequent impeachment of Brazil s president The far reaching impact of the Panama Papers scandal Changes in U S Cuba diplomatic relations and the reopening of their embassies The unconstitutional declaration of Gambia as an Islamic State Sentiments about the migrant and refugee crisis across Europe and the influence on policy Also the new For Further Reference feature included for every country entry directs readers to additional resources to continue their research

How Mass Atrocities End Bridget Conley-Zilkic,2016-04 How do mass atrocities end Six case studies reveal the decisions and factors that help decrease mass violence against civilians

The Politics and Policies of Big Data Ann Rudinow Sætnan,Ingrid Schneider,Nicola Green,2018-05-08 Big Data gathered together and re analysed can be used to form endless variations of our persons so called data doubles Whilst never a precise portrayal of who we are they unarguably contain glimpses of details about us that when deployed into various routines such as management policing and advertising can affect us in many ways How are we to deal with Big Data When is it beneficial to us When is it harmful How might we regulate it Offering careful and critical analyses this timely volume aims to broaden well informed unprejudiced discourse focusing on the tenets of Big Data the politics of governance and regulation and Big Data practices performance and resistance An interdisciplinary volume The Politics of Big Data will appeal to undergraduate and postgraduate students as well as postdoctoral and senior researchers interested in fields such as Technology Politics and Surveillance

Multinational Enterprises and Transparent Tax Reporting Alexandra Middleton,Jenni Muttonen,2020-01-17 This book examines tax transparency as part of multinational enterprises corporate social responsibility CSR It considers revelations like the Panama and Paradise Papers that shed light on corporations tax practices and the growing public dissatisfaction resulting in legislative projects such as the Organisation for Economic Co operation and Development OECD base erosion and profit shifting Tax transparency is defined as companies voluntary disclosure of numerical tax data e g taxes paid by country and other tax related information e g tax policies It is set apart from tax avoidance and tax evasion to clarify the often blurred concepts In this book tax transparency is placed in a historical context and possible drivers and hindering factors to tax transparency are investigated Tax transparency is discussed in the light of socio economic theories stakeholder legitimacy institutional theory and reputation risk management as well as economic theories agency theory signalling proprietary costs and information overload theory The book provides examples of tax transparency development of the largest multinational enterprises in five countries France Germany UK Finland and USA in six years 2012 2017 a period featuring increased media coverage of tax matters and legislative movement in the OECD and the European Union The future of tax transparency is discussed in light of quality characteristics assurance of information and potential use of artificial intelligence Companies managers and tax and CSR specialists benefit from the book by gaining insight into how to design transparent high quality tax reporting Assurance professionals can use information about the

quality criteria of tax transparency Regulators can track historical development and see examples of voluntary tax transparency in companies reporting Scholars and students obtain theoretical framework for analysing the tax transparency phenomenon and the ability to distinguish between the concepts of tax transparency planning avoidance and evasion

UKIP Matthew Goodwin, Caitlin Milazzo, 2015-11-26 The UK Independence Party Ukip is the most significant new force in British politics for a generation Under the leadership of Nigel Farage the party has enjoyed a remarkable rise winning the 2014 European Parliament elections as well as two parliamentary by elections and attracting mainstream defectors to achieve major party status By the time of the 2015 general election Farage and Ukip stood on the threshold of becoming a major force at Westminster This account is a must read for anyone interested in the inside story of Ukip's quest to change British politics during one of the most unpredictable and dramatic elections in recent history Based on unprecedented access to the party and its key players the book pulls back the curtain on one of the most intriguing campaigns in living memory It includes behind the scenes observations from the campaign trail and more than one hundred interviews with leading Ukip insiders such as Nigel Farage Douglas Carswell and Mark Reckless as well as major donors strategists and figures from across the political landscape as they grappled with Ukip's rise Matthew Goodwin and Caitlin Milazzo reveal what really happened during the 2015 election campaign and in the by elections and defections which preceded it providing detailed accounts of the critical moments that shaped both the election itself and British politics more widely The book also makes extensive use of British Election Study data from over five decades to answer important questions about the rise of Ukip and what it signifies Who voted for Ukip and why How are political loyalties in Britain changing over time What are the deeper currents that have made Ukip's rise possible and will continue to shape its future And what does the party's campaign for power reveal about the current evolution of British politics and society UKIP takes readers inside the campaign telling for the first time the exciting inside story of a new party attempting to redraw the map of British politics

Today's Crime and Punishment Issues Angela D. Madden, 2024-12-26 This balanced book illuminates Republican and Democratic responses and attitudes toward crime police work sentencing incarceration and rehabilitation in the USA A broad array of law enforcement and criminal justice issues are examined including mass incarceration sentencing disparities anti drug efforts marijuana legalization death penalty mandatory minimums civil asset forfeiture prison privatization rape and other crimes in prison settings women in prison support for therapeutic educational programs sentencing for juvenile offenders harsher penalties for hate crimes and voting rights for ex felons The focus is on specific and timely topics in criminal justice that are most susceptible to legislative policies Readers will benefit by developing an appreciation for how politics impacts the criminal justice system and how the parties have developed laws that impact their lives dictate acceptable behavior and legislate appropriate responses for violators The emphasis of the series is contemporary but it includes historical perspective to provide a sense of how each party's positions and actions have evolved over time

The Fifth Estate William H.

Dutton,2023 In the eighteenth century the printing press enabled the rise of an independent press the Fourth Estate that helped check the power of governments business and industry In similar ways the internet is forming a more independent collectivity of networked individuals which William H Dutton identifies as the Fifth Estate Their network power is contributing to a more pluralist role of individuals in democratic political processes and society which is not only shaping political accountability but nearly every sector of society Yet a chorus of critics have dismissed the internet s more democratic potentials demonizing social media and user generated content as simply sources of fake news and populism So is the internet a tool for democracy or anarchy In The Fifth Estate Dutton uses estate theory to illuminate the most important power shift of the digital age He argues that this network power shift is not only enabling greater democratic accountability in politics and governance but is also empowering networked individuals in their everyday life and work from checking facts to making civic minded social interventions By marshalling world leading research and case studies in a wide range of contexts Dutton demonstrates that the internet and related digital media are enabling ordinary individuals to search create network collaborate and leak information in such independent and strategic ways that they enhance their informational and communicative power vis vis other actors and institutions Dutton also makes the case that internet policy interventions across the globe have increased censorship of users and introduced levels of surveillance that will challenge the vitality of the internet and the Fifth Estate along with its more pluralist distribution of power Ambitious and timely Dutton provides an understanding of the Fifth Estate and its democratic potential so that networked individuals and institutions around the world can maintain and enhance its role in our digital age **A mission to inform** Marilyn Clark,William

Horsley,2020-10-12 Police intimidation legal harassment defamation and intimidation campaigns offline and increasingly online pressure economic or otherwise from editors or media owners and sponsors detentions threats and physical violence journalists are constantly exposed to these threats by those who feel threatened by their work The murder of investigative journalist Daphne Caruana Galizia in October 2017 sent shock waves through Europe Violence and acts of harassment against journalists have become alarmingly frequent as was laid bare in the Council of Europe s 2017 survey of 940 journalists across the continent This follow up study is about the human cost to journalists who seek to hold the powerful to account It is based on in depth interviews with 20 journalists who use their reporting skills to expose corruption injustice and abuses often putting their safety at risk They share their insights into the realities of practising cutting edge journalism while facing aggression intimidation and vicious cyber attacks Too often the necessary protections fail and crimes against journalists go unpunished The freedom of the media to report without censorship or fear of reprisals is an essential pre condition of democratic societies This study represents a call for action to the 47 member states of the Council of Europe with practical and forward looking recommendations for ways to establish effective protection for journalists to enable them to safely fulfil their vital public watchdog role

Leaked Papers November 2014 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Leaked Papers November 2014 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Leaked Papers November 2014 has opened up a world of possibilities. Downloading Leaked Papers November 2014 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Leaked Papers November 2014 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Leaked Papers November 2014. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Leaked Papers November 2014. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Leaked Papers November 2014, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Leaked Papers November 2014 has transformed the way we access information. With the convenience, cost-

effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
