calling Romania home      *Romanian in Migration Contexts* Aurelia Merlan, 2024-06-17 As a result of migration more than 25% of Romanian L1 speakers live outside of Romania and Moldova mostly in other European countries but also in America and Australia In the meantime many second generation speakers have become part of this group The situation has resulted in various different constellations of language contact both within the group of Romance languages and amongst typologically different and unrelated languages Despite the fact that these contact scenarios present a wide range of research perspectives there have been hardly any studies on Romanian as a language of migrants up until now The volume *Romanian in the Context of Migration* brings together contributions on the Romanian language in Europe and in North America in the context of current migration linguistics It includes studies on Romanian in Canada France Germany Italy Portugal Slovenia and Spain and on the Romanian of those who return to Romania and Moldova

ber 25 % der Sprecher mit Rum nisch als L1 leben heute infolge der Migration au erhalb von Rum nien und der Republik Moldau zumeist in anderen L ndern Europas aber auch in Amerika und Australien Inzwischen sind zahlreiche Vertreter der 2 Generation hinzugekommen Aus dieser Situation ergeben sich unterschiedliche Konstellationen von Sprachkontakt sowohl innerromanisch als auch mit typologisch verschiedenen und nicht verwandten Sprachen All diese Kontaktszenarien er ffnen vielf ltige Forschungsperspektiven Dennoch gibt es bislang kaum Untersuchungen zum Rum nischen als Sprache von Migrantinnen und Migranten Der Sammelband *Romanian in the Context of Migration* vereint Beitr ge zum Rum nischen in Europa und Nordamerika im Kontext der aktuellen Migrationslinguistik Er umfasst Studien zum Rum nischen in Deutschland Frankreich Italien Kanada Portugal Slowenien und Spanien und zum Rum nischen der R ckkehrer

*Bilingualism Matters* Maria Garraffa, Antonella Sorace, Maria Vender, 2023-07-20 What happens in the brain when learning a second language Can speaking more than one language provide cognitive benefits over a lifetime What implications does an increase in bilingualism have for society And what are the factors that can promote and support bilingualism in children and adults This book a translated and adapted version of *Il Cervello Bilingue* 2020 answers these questions and more providing the reader with a comprehensive yet concise guide on different topics related to bilingualism Based on the results of the most recent studies conducted internationally it discusses recent research findings explains terminology and elaborates on the current state of the field with the aim of providing families and society with suggestions about how to encourage bilingualism Written in an engaging and accessible style it takes both academics and readers with no prior knowledge of the field on a journey into the bilingual brain

**Romanians in Canada** Eleanor Bujea, 2009-01-01      *Learning and Using Languages in Ethnographic Research* Robert Gibb, Annabel Tremlett, Julien Danero Iglesias, 2019-10-11 *Learning and Using Languages in Ethnographic Research* breaks the silence that still surrounds learning a language for ethnographic research and in the process demystifies some of the multilingual aspects of contemporary ethnographic work It does this by offering a set of engaging and accessible accounts of language learning and use written by ethnographers who are at different stages of their academic career A key theme is how

researchers experiences of learning and using other languages in fieldwork contexts relate to wider structures of power hierarchy and inequality The volume aims to promote a wider debate among researchers about how they themselves learn and use different languages in their work and to help future fieldworkers make more informed choices when carrying out ethnographic research using other languages

**French Language** Fabien Arnaud , This book includes French For Beginners French Short Stories French For Beginners This book will help you on your journey in French Don t rush through the book You can start with a lesson a day and then use and practice what you learned immediately Don t wait until you get to France to actually start speaking French Once you get through each lesson get a friend or just about anybody you can practice French with and start gabbing away The point of language is that it should be used not just learned Here s some topics covered in this book French pronunciation Verbs Useful Everyday expressions Conversations And much more French Short Stories Book Ready To Learn The French Language quickly and in a practical way with exciting short novels It is no secret that language proficiency grows through practice The more you practice a foreign language the more comfortable you will become with it For beginner French speakers it is important not only to expand your vocabulary but also to build confidence in your ability to speak read and master the language The 21 captivating French stories in this book I have included one bonus story at the end have been carefully crafted for new French speakers to help with learning new words and phrases while also strengthening your confidence by reinforcing what you already know Did you realize that you are already prepared to read short stories in French Many of us have spent so much time repeating sentences and conjugating verbs while studying a new language that we haven t realized that we can assemble that knowledge to read and understand entire stories So how should you use this book It is best to start at the beginning as the stories in this book will get progressively more sophisticated Each story comes with a series of questions in French to gauge your comprehension of the story as well as a glossary of some new words or terms that were introduced in that story If you have trouble understanding any of the questions in French refer back to the glossary for help Words and phrases in the questions that could be confusing are defined in the glossary as well Each story is also followed by a short synopsis in English for readers who want to make sure they have understood the story s meaning We recommend that you read each story using the glossary definitions if necessary and then answer the questions You should refer to the English summaries of the stories only after you have answered the questions The summaries are a great way to check your answers and determine how well you have understood the material but it is important to try challenging yourself to understand the French

*Languages in a Globalising World* Jacques Maurais, Michael A. Morris, 2003-04-10 Throughout human history the fate of languages has been closely linked to political power relationships Political shifts in the international system continue to affect linguistic patterns which today are still in a state of flux following the end of the Cold War This book considers the effects of present day trends in global politics on the relative status of languages and the directions in which the linguistic hierarchy might develop in the future It will
