The State and Development in South Africa Isaac Khambule, 2025-09-16 This book interrogates the nexus between the state and development in post apartheid South Africa It highlights current problems and suggests ways of consolidating state capabilities improving public institutions and enhancing governance and development outcomes Framed around developmental state theory the book argues that the role of the state in South Africa will be fundamental for addressing the triple challenges of unemployment poverty and inequality There is a growing concern that South Africa is at a development impasse with ongoing crises in energy infrastructure and unemployment The chapters investigate the role of the post apartheid state in pursuing development and navigating a neoliberal globalised society The book explores state capacity in all spheres of government the relationship between politics and bureaucracy and the role of state owned enterprises in the country s developmental aspirations The book concludes by summarising the successes challenges and lessons that have emerged over the course of the book and anticipating future directions or possibilities for the state in South Africa s development impasse Bringing together leading voices in the field this book will be an essential read for researchers of African politics political economy and development The book is also relevant for policymakers students and practitioners in social sciences

Promoting sustainable local economic development initiatives Marius Venter, 2022 This book endeavours to outline case studies that promote sustainable Local Economic Development LED initiatives It is generally believed that local governments are the foot soldiers of LED However this seems to be a myth as local governments in South Africa and elsewhere have not yet fulfilled this mandate and have been struggling for several years to implement LED initiatives The distinctive merit of this book lies in the way it combines the South African context with the wider international development context in ways that there is a flow of information and ideas both ways The book is an essential part of this sequence of ideas development and action at a critical time for strategic action directed at a sustainable future It showcases case studies and responses to the impacts of globalisation as a bridge between urban rural and institutional action and reveals avenues for local government leadership in communities research student engagement and wider interactions

Politics in South Africa Tom Lodge, 2003 This well informed and crisply written introduction will appeal to both students of contemporary politics and general readers interested in the new democracy Book jacket

Rorke's Drift Philippa Hobbs, Elizabeth Rankin, 2003 The evangelical Lutheran Art and Craft Centre at Rorke s Drift as one of the very few places that offered training to black artists during the years of apartheid played a key role in South African art not only for those who studied there but the many others whom they trained or influenced in turn Drawing on a wide range of interviews with participants in the Rorke s Drift project not only from South Africa but also from Sweden the Netherlands Britain and the USA this book

sets out to write the story of the beginnings of the Centre in the 1960s the founding and development of the Fine Art School in 1968 and the contribution of teachers and students until its closure in 1982 book jacket *Drum*, 1999 **ECEI2009-4th European conference on entrepreneurship and innovation** Johan Breat, 2009 *African Studies Abstracts*, 2002 *Africa Insight*, 2003 *Wrecking Ball* Stu Woolman, 2021-04-29 *Wrecking Ball* explores in an unprecedented manner a decalogue of wicked problems that confronts humanity Nuclear proliferation climate change pandemics permanent technological unemployment Orwellian public and private surveillance social media that distorts reality cyberwarfare the fragmentation of democracies the inability of nations to cabin private power the failure of multinational institutions to promote collaboration and the deepening of autocratic rule in countries that have never known anything but extractive institutions Collectively or even severally these wicked problems constitute crises that could end civilisation Does this list frighten you or do you blithely assume that tomorrow will be just like yesterday *Wrecking Ball* shows that without an inclusive system of global governance the collective action required to solve those wicked problems falls beyond the remit of the world's 20 inclusive democracies 50 flawed democracies and 130 extractive elitist autocracies Flawed democracies and autocracies that already struggle to produce goods necessary for their own citizens to flourish are simply incapable of committing to international arrangements that address the existential threats posed by the decalogue of wicked problems This then is our children's inheritance Dystopias far far worse than the polities that we ourselves have known What if anything can mitigate the harms that are our legacy *Wrecking Ball* offers as an answer a ground breaking analysis of South Africa's political economy It demonstrates that this country's elitist and extractive political and economic institutions not only make resolution of ongoing domestic crises unattainable likewise they make meaningful responses to wicked problems impossible Smart people think they have all the answers Without laboring under any such illusions Martin Luther King Jr eloquently opined The arc of the moral universe is long but it bends towards justice But what will happen King would acidly ask if we continue to dawdle and simply run out of time *Wrecking Ball* similarly operates under no such smart pretenses and undeterred and unmatched ventures into terrains traversed by truly great political economists Smith Ricardo Marx and Keynes By knitting together what we all know to be the facts with cutting edge theory in economics sociology history and political science the book paints an unflinching portrait of where we are and where we are headed Are we ready to be honest with ourselves about the likely future of this overheated overpopulated planet *Library & Information Science Abstracts*, 1999 **Focus**, 1998
