Migration and New Racism Sylvia Ang,Elaine Lynn-Ee Ho,Brenda S.A. Yeoh,2022-10-20 Studies of racism against migrants have recently attempted to move away from the presumed dichotomy between white and Others yet the focus of much research remains predominantly trained on white people racializing Others whether Black Asian or Muslim Attending only to this white Other binary homogenises select groups of non white including Asians This approach also ignores racialisation and racism by Asians and among Asians Consequently there is a dearth of studies on issues of race in non white settings Through engaging the themes of co ethnicity intersectionality and postcoloniality this book contributes to extant studies of migration in three ways through 1 examining new geographical sites of racialisation and racism 2 illuminating racialisation and racism beyond the white Others binary and 3 introducing new dynamics in racialisation and racist discourses including intersectional factors such as nationality class gender language religion temporal framings and postcoloniality Asian

Migration and New Racism will be of interest to scholars and advanced students of Sociology Social and Political Geography Social Anthropology History and Politics The chapters in this book were originally published as a special issue of Ethnic and Racial Studies *English Mechanic and Mirror of Science and Art* ,1913 **Factory and Industrial Management** John Robertson Dunlap,Arthur Van Vlissingen,John M.
