**The Knight on His Quest** Piotr Sadowski, 1996 This book offers an integrated interpretative analysis of the major thematic aspects of the English fourteenth century romance Sir Gawain and the Green Knight The chief aim of author Piotr Sadowski is to look at the contents of the narrative in their entirety and to take full advantage of the poem's exceptional and widely praised harmony of structure and design Within that design Sadowski focuses on the poem's presentation of the main protagonist and his adventures seen first of all as a generalized metaphor of the human life understood as a spiritual quest and in a more historical sense as an expression and critique of certain ideals values and anxieties that characterized the late medieval institutions of the court chivalry and the Church Sadowski built the interpretive framework of Sir Gawain from an eclectic theoretical base that he believes is most valuable and useful in approaching medieval literature The main focus of the study remains the literary text itself created by an author who communicates his view of the world through the poem

*The Heart of His Mystery* John Waterfield, 2009-10-21 Shakespeare has traditionally been viewed as Queen Elizabeth's poet laureate and as the official mouthpiece of the Elizabethan age But the Elizabethan world was torn apart by the religious divisions initiated by the Reformation and vitiated by the government's merciless persecution of Catholics As it was the victors who wrote the history the English Reformation has been portrayed as a peaceful transition enjoying majority support when in fact it was nothing of the kind Elizabeth's regime was a police state which sanctioned the use of torture where Catholic priests and those who harboured them were liable to summary and bloody execution The persecution of Catholics was continued by James I evoking the violent response of the Gunpowder Plot The Heart of His Mystery examines Shakespeare's life and work against this background There is strong biographical evidence that he was himself a Catholic and a detailed survey of his plays and poems shows that his imagination was intimately bound up with his religious faith When we realise that his human compassion grew from his membership in a persecuted community we can glimpse the mystery he has encrypted in his works and we come closer to understanding the hidden heart of Shakespeare the man

*The Wooing of Our Lord and The Wooing Group Prayers* Catherine Innes-Parker, 2015-07-22 The Wooing of Our Lord and the Wooing Group prayers occupy a key position in the history of English literature and the development of English religious devotion Dating from the second quarter of the thirteenth century they are among a group of texts written in English at a time when the language of literature and the court was Anglo Norman French and the language of church and state was Latin The text for which this group is named The Wooing of Our Lord is also a highly skilled composition combining beautiful and poetic expression with a profound affective theology Its first person female narrator speaks directly to Christ becoming the voice of the reader whom the text guides through a passionate meditation upon the magnitude of Christ's love his sufferings in his Passion and the response of the individual soul Catherine Innes Parker's graceful new translation is paired with the original Middle English dialect in a facing page format

*Sex and the Devil's Wager* Lee Huxley, 2009 Anti erotic elements in feminism have joined forces with Islam and Christianity to

condemn prostitution the male gaze and the natural love men have for the feminine body as a symbol of universal beauty The author whose religion is based in Tantra regards these attitudes both wrong and offensive to pagans Lee Huxley claims to be a knower an enlightened one who sees with the third eye and whose wisdom and lateral thinking demonstrate his special insights in this book Lee knows the truth the unthinkable that Jesus Christ the hellfire and damnation preacher is not the Son of God but the Son of Evil If Christ is the Son of Evil then Lee argues from this basis that Judaism Christianity and Islam are blasphemies This book asks how Western civilization could be founded on lies delusions and blasphemies that even today are still taken seriously This book is the result of a lifetime of research which has culminated in the formulation of the Devil s Wager The Devil s Wager challenges you the reader to name any moral idea from the worst evildoers of history that is as evil as the central teaching of the Bible and the Koran namely that God will resurrect the human race and torture most of them in hell for all eternity Fifty per cent of the damned will be women The male God of monotheism is a hellfire pyromaniac Jesus Christ and Allah are arsonists who burn women alive This is the feminist issue of our times Lee uses the writings of theologian and lapsed Catholic Mary Daly one of the greatest feminist thinkers to explain their common conviction that feminism must now assume the role of the Antichrist and bring an end to monotheism **The Works of Jacob Behmen ...**

Jakob Böhme,1764 *Histories of the Devil* Jeremy Tambling,2017-02-07 This book is about representations of the devil in English and European literature Tracing the fascination in literature philosophy and theology with the irreducible presence of what may be called evil or comedy or the carnivalesque this book surveys the parts played by the devil in the texts derived from the Faustus legend looks at Marlowe and Shakespeare Rabelais Milton Blake Hoffmann Baudelaire Goethe Dostoevsky Bulgakov and Mann historically speculatively and from the standpoint of critical theory It asks Is there a single meaning to be assigned to the idea of the diabolical What value lies in thinking diabolically Is it still the definition of a good poet to be of the devil s party as Blake argued **The ancren riwe** James Morton,1853 *The Kalendar & Compost of Shepherds* Compost et kalendrier des bergiers,1930 *A Lethal Obsession* Robert S. Wistrich,2010-01-05 In this unprecedented work two decades in the making leading historian Robert S Wistrich examines the long and ugly history of anti Semitism from the first recorded pogrom in 38 BCE to its shocking and widespread resurgence in the present day As no other book has done before it *A Lethal Obsession* reveals the causes behind this shameful and persistent form of hatred and offers a sobering look at how it may shake and reshape the world in years to come Here are the fascinating and long forgotten roots of the Jewish difference the violence that greeted the Jewish Diaspora in first century Alexandria Wistrich suggests that the idea of a formless God who passed down a universal moral law to a chosen few deeply disconcerted the pagan world The early leaders of Christianity increased their strength by painting these superior Jews as a cosmic and satanic evil and by the time of the Crusades murdering a Christ killer had become an act of conscience Moving seamlessly through centuries of war and dissidence *A Lethal Obsession* powerfully portrays the creation of the Protocols of the Elders of Zion the fateful anti Semitic

tract commissioned by Russia's tsarist secret police at the end of the nineteenth century and the prediction by Theodor Herzl Austrian founder of political Zionism of eventual disaster for the Jews in Europe. The twentieth century fulfilled this dark prophecy with the horrifying ascent of Hitler's Third Reich. Yet as Wistrich disturbingly suggests, the end of World War II failed to neutralize the Judeophobic virus. Pogroms and prejudice continued in Soviet-controlled territories and in the Arab Muslim world that would fan flames for new decades of distrust, malice and violence. Here in pointed and devastating detail is our own world, one in which jihadi terrorists and the radical left blame Israel for all global ills. In his concluding chapters Wistrich warns of a possible nuclear Final Solution at the hands of Iran, a land in which a formerly prosperous Jewish community has declined in both fortunes and freedoms. Dazzling in scope and erudition, *A Lethal Obsession* is a riveting masterwork of investigative nonfiction, the definitive work on this unsettling yet essential subject. It is destined to become an indispensable source for any student of world affairs.

[The Rasputin File](#) Edvard Radzinsky, 2010-05-12 From the bestselling author of *Stalin* and *The Last Tsar* comes *The Rasputin File*, a remarkable biography of the mystical monk and bizarre philanderer whose role in the demise of the Romanovs and the start of the revolution can only now be fully known. For almost a century, historians could only speculate about the role Grigory Rasputin played in the downfall of tsarist Russia. But in 1995, a lost file from the State Archives turned up a file that contained the complete interrogations of Rasputin's inner circle. With this extensive and explicit amplification of the historical record, Edvard Radzinsky has written a definitive biography reconstructing in full the fascinating life of an improbable holy man who changed the course of Russian history.
