[The Legend of Socket Greeny](#) Tony Bertauski, 2010-12-08 The Paladin Nation is rebuilding Socket Greeny is leading them into a new era of compassion and understanding But when Pike returns Socket discovers nothing is what he expected that his life has been planned from the beginning He is faced with ultimate betrayal In the end he won't be asked to save the world It'll be the entire universe

INTERVIEW WITH THE AUTHOR When did you start writing My first effort started with Socket Greeny It was a story I started for my son because he hated to read It didn't work but this character Socket took root It was the first time I felt possessed by a character with a story to tell It took me 5 years and countless rewrites to get it right I waited by the mailbox after that but the giant paycheck never arrived If you can't make money why write fiction I didn't say you can't make money There are a lot of people out there with a good book whether it's romance dystopia science fiction or young adult I'm just a minnow in a crowded pond It took a good deal of networking and research to realize just how hard it is Thanks to e-publishing I can get the book out That frees me up to write what inspires me Writing is the true love There's something deeply satisfying to have characters come to life in your mind and watch their stories unfold It's a deeper experience than reading someone else's story What do you want readers to get from your stories I've always been inspired by fearless writing that asked poignant questions questions like who am I and what is the universe Things that made me look at life slightly different books

that exposed a layer of reality Writing in the young adult genre appealed to me most because that s the age I really craved those questions and answers I want readers to see the world slightly different What is your favorite character I love a bad bad antagonist that you can t entirely hate there s some smidgeon of redemption you feel inside this demented sorry character Heath Ledger s Joker A despicable character that didn t deserve an ounce of pity but for some reason I didn t hate him as much as I should have It s that character I find most intriguing In The Socket Greeny Saga the character Pike was my Joker
