Simon Hugo

Lego Star Wars Instructions 201:

Professional Techniques for Video Game Writing Wendy Despain, 2020-04-21 This second edition of *Professional Techniques for Video Game Writing* is updated with new chapters and new authors but it's still a no nonsense guide to the professional craft of writing for video games. Not only does the text cover story and narrative elements but it also addresses dialogue documentation and strategy guides. Seasoned video game writers each address a different topic including the best way to break into the video game industry, how to be an efficient part of a team and the principles of narrative design. The book also offers script samples, technical writing advice, effective writing tips and suggestions for how to innovate in game narrative.

Key Features: Comprehensive enough for veterans and accessible enough for novices. Goes into detail about how to write tutorials, script doctoring and writing for AAA games. Delivers invaluable experiences directly from writers in the games industry. Full of practical advice from industry pros on how to get a job and then how to get the job done.

Author Bio: Wendy Despain has more than two decades of experience spearheading digital media projects. She has worked with teams around the world as a writer, narrative designer, producer and consultant on interactive experiences ranging from video games to augmented reality. She's worked with EA, Disney, Ubisoft, Cartoon Network, PBS, Marvel and Wargaming. Currently she's a Production Director at ArenaNet, makers of the *Guild Wars* franchise. Her books include *Writing For Videogame Genres*, *From FPS to RPG*, *Talking to Artists*, *Talking to Programmers*, *100 Principles of Game Design*.

LEGO and Philosophy Roy T. Cook, Sondra Bacharach, 2017-06-13 How profound is a little plastic building block? It turns out the answer is very. 22 chapters explore philosophy through the world of LEGO, which encompasses the iconic brick itself as well as the animated television shows, feature films, a vibrant adult fan base with over a dozen yearly conventions, an educational robotics program, an award winning series of videogames, hundreds of books, magazines and comics, a team building workshop program for businesses and much much more. Dives into the many philosophical ideas raised by LEGO bricks and the global multimedia phenomenon they have created. Tackles metaphysical, logical, moral and conceptual issues in a series of fascinating and stimulating essays. Introduces key areas of philosophy through topics such as creativity and play, conformity and autonomy, consumption and culture, authenticity and identity, architecture, mathematics, intellectual property, business and environmental ethics. Written by a global group of esteemed philosophers and LEGO fans. A lively philosophical discussion of bricks, minifigures and the LEGO world that will appeal to LEGO fans and armchair philosophers alike.

The Big Book of LEGO Facts Simon Hugo, 2023-05-02 An updated edition of the must have guide to trivia about the LEGO world featuring the latest facts and images. Find out everything you ever wanted to know about bricks and minifigures with stacks of LEGO facts. Did you know that 68 000 LEGO pieces are created every minute? Or that The LEGO Group is one of the biggest manufacturers of tires in the world? This must have guide for LEGO fans of every age is crammed full of fascinating LEGO trivia. From the first brick to the latest record breaking build, discover everything there is to know about the LEGO world. 2022 The LEGO Group

Confessions in the Courtroom Lawrence S. Wrightsman, Saul Kassin, 1993-05-28 When the prosecution introduces confession testimony during a criminal trial the effect is usually overwhelming In fact jurors verdicts are affected more by a confession than by eyewitness testimony While eyewitness studies are massive in numbers the topic of confession evidence has been largely ignored by psychologists and other social scientists *Confessions in the Courtroom* seeks to rectify this discrepancy This timely book examines how the legal system has evolved in its treatment of confessions over the last half century and discusses at length the U S Supreme Court s decision regarding *Arizona v Fulminante* which caused a reassessment of the acceptability of confessions generated under duress The authors examine the causes of confessions and the interrogation procedure used by the police They also evaluate the process for determining the admissability of confession testimony and provide excellent research on jurors reactions to voluntary and coerced confessions Social scientists attorneys members of the criminal justice system and students will find *Confessions in the Courtroom* to be an objective and readable treatment on this important topic In this short volume the authors seek to describe and evaluate what we know about confessions given to police and their impact at the subsequent trial It is a comprehensive review of the social psychological literature and legal decisions surrounding confessions One of the primary strengths of the manuscript is the interplay between social science and law fostered by the authors clear understanding of the boundaries between these disciplines and appreciation of the substantive areas they share The authors have produced a comprehensive and imminently readable legal and psychological treatise on confessions valuable for established scholars and for students *Journal of Contemporary Criminal Justice*
