A stunning debut novel from the acclaimed young Irish poet Seán Hewitt reminiscent of Garth Greenwell and Justin Torres in the intensity of its evocation of sexual awakening Set in a remote village in the north of England *Open Heaven* unfolds over the course of one year in which two teenage boys meet and transform each other's lives James a sheltered shy sixteen year old is alone in his newly discovered sexuality full of an unruly desire but entirely inexperienced As he is beginning to understand himself and his longings he also realizes how his feelings threaten to separate him from his family and the rural community he has grown up in He dreams of another life fantasizing about what lies beyond the village's leaf ribboned boundaries beyond his reach autonomy tenderness sex Then in the autumn of 2002 he meets Luke a slightly older boy handsome unkempt who comes with a reputation for danger Abandoned by his parents his father imprisoned and his mother having moved to France for another man Luke has been sent to live with his aunt and uncle on their farm just outside the village James is immediately drawn to him like the pull a fire makes on the air dragging things into it and blazing them into its hot white centre drawn to this boy who is beautiful and impulsive charismatic troubled But underneath Luke's bravado is a deep wound a longing for the love of his father and for the stability of family life *Open Heaven* is a novel about desire yearning and the terror of first love With the striking economy and lyricism that animate his work as a poet Hewitt has written a mesmerizing hymn to boyhood sensuality and love in all its forms A truly exceptional debut
