Manual Do Delegado Da Policial Civil:

Manual de direito penal policial aplicado: Alessandro José Fernandes de Oliveira, 2020-01-01 Não é difícil compreender a importância da atividade policial na organização social contemporânea. Contudo, para termos uma noção real da complexidade da função desempenhada por esses profissionais, precisamos primeiro conhecer os elementos que formam a base do direito penal policial. Afinal, toda atividade desempenhada por agentes policiais deve ou deveria ser embasada na legislação. Nesta obra, você vai entender as questões jurídicas envolvidas nas práticas cotidianas de um policial e poder refletir criticamente sobre a responsabilidade de cada decisão que este toma no exercício de sua profissão.

Manual Do Inspetor De Polícia Breno Coelho Nepomuceno, 2015-09-10 O Investigador é uma pessoa que executa o ato de investigar e é utilizada em diversas áreas temáticas de Direito Público e Privado. Um repórter que persegue uma informação, vasculha as pistas até que se torne uma matéria jornalística; investiga um deputado ou senador quando atua numa CPI; Comissário Parlamentar de Inquérito investiga um promotor quando analisa as peças de um procedimento; age como investigador. Assim, pode-se encontrar a investigação em muitas profissões que buscam a verdade ou como preferimos, o verossímil do fato ou evento investigado. Mas, por mais parecido que sejam as profissões ou as apresentadas, em nenhum destes encontraremos a figura fundamental do Inspetor de Polícia, um profissional nomeado a exercer uma determinada função de confiança típica de Estado, congregando as informações de uma Delegacia de Polícia administrando em substituição Direção exercida pelo Delegado de Polícia, criando mecanismos de harmonia e confiabilidade no ambiente e na equipe de trabalho. Nas páginas seguintes deste manual abordaremos os aspectos basilares do Instituto da Inspeção de Polícia: planejamento, organização, fundamentação legal, áreas de atuação, competências, atribuições, orientação, liderança, coordenação, aspectos técnicos administrativos, técnicos disciplinares e hierárquicos, composição de uma Inspeção, avaliação dos membros das equipes e individual. Em anexo, ainda apresentaremos a descrição da metodologia e requisitos para realização das principais atividades típicas do Investigador de Polícia. Para tanto, com o escopo de facilitar o entendimento prático, bem como a didática a referência do Instituto da Inspeção de Investigadores nos termos legais, técnicos e empíricos, ser da Polícia Civil do Estado de Minas Gerais, institui o qual o autor presta suas atividades laborativas há 22 anos, com gratidão ocupante do cargo efetivo de Investigador de Polícia e atualmente exercendo a função de confiança de Inspetor Adjunto de Investigador de Polícia do Departamento de Investigação de Crimes Contra o Patrimônio. Durante este período de efetivo exercício policial, entre reuniões, encontros, com colegas, planejamento de atividades em grupo, operacionais etc., percebemos que existia uma lacuna, um espaço entre o aprendizado policial iniciado na Academia de Polícia Civil e os deveres impostos pela prática, não havendo nenhum encadernado para fundamentar e orientar o profissional titular da Inspeção sobre o mister do Inspetor de Polícia, função imprescindível em uma Unidade Policial, seja esta administrativa ou destinada à execução da atividade fim ou operacional. Neste diapasão, perseguindo melhores resultados administrativos, policiais praticada numa Inspeção com probidade, qualidade, eficiência, eficácia e transparência, apresentamos o Manual do Inspetor de Polícia. *Manual de*
