Matthew 28 19 Triadic Jewish Or Trinitarian:

Matthew 28 Kulwant Singh Boora,2014-11-01 This scholarly and theological work by Mr Kulwant Singh Boora will prove to be a rich resource for all those who study the Word of God whether theologians educators pastors or laymen The research is fresh extensive and unparalleled in the apostolic movement Mr Boora takes a unique approach by exploring Matthew 28 19 from three perspectives as the title suggests Triadic Jewish and Trinitarian He cites a broad collection of views from among the world s most credible scholars who address the history and meaning of perhaps the most important verse in the Bible pertaining to the foundation of Christian doctrine The conclusive evidence for the baptism in Jesus Name is explicit Every preacher should read this book Every Christian should take note of the forceful significance of this one verse Matthew 28 19

The Roman Catholic Church and Its Recognition of the Validity of Baptism in the Name of Jesus (Acts 2:38) from 100 A.D. to 500 A.D. Kulwant Singh Boora,2011-08-08 The patristic period saw the shift towards baptism in the trinitarian form being a later liturgical development the original form being in the name of Jesus Christ Acts 2 38 It is granted that documentary evidence has been preserved quite remarkably from the patristic period to at least the fifth century that shows and demonstrates the recognition of baptism in the name of Jesus by the Roman Catholic Church To such an extent that even the Roman Catholic Church has noted the validity of baptism in the name of Jesus in a recent call for ecumenical dialogue Roman Catholic scholars and theologians alike are in agreement with the baptismal formula of the name of Jesus and make no pretense about it to the degree that even during the Ante Nicene period we find a trial of individual s who baptized in the name of Jesus flowing from period of the early Greek apologist s The patristic era to the fifth century will present a large body of literature that convincingly shows baptism in the name of Jesus being validly recognized even within literature housed within the collection of writings of St Cyprian Bishop of Carthage who was said to oppose such a practice The Roman Catholic Church at large voiced through its religious leaders Church Fathers Pope and theologians within this period have noted the original form of baptism being in the name of Jesus thereby continuing to acknowledge its validity and recognition

An Introduction to the Trinity Declan Marmion,Rik van Nieuwenhove,2011 This book introduces the main people and themes in the history of Trinitarian theology and analyses recent alternative readings of the tradition *Patterns of Christological Categorisation* Marvin C. Sanguinetti,2023-03-28 This book focuses on Christological Monotheism an underexplored area which combines two disciplines of theological appraisal often addressed as separate subjects Christological Monotheism is underexplored in the literature and even more underexplored are interpretations of Christological Monotheism from the perspectives of Christian voices within the Oneness Pentecostal faith tradition Oneness Pentecostalism offers opposing perspectives to what is considered fixed orthodoxy within the Christian faith traditions i e its views differ on doctrines relating to the nature of God and Christ from accepted norms This project seeks to include various Oneness Pentecostal interpretations to commonly held perspectives and explore what such might look like when juxtapose

with Christian orthodoxy Moreover it rereads perspectives about the relationship between God and Christ offered by both traditions in the contexts of earlier contributors to Christian history all the way to the Second Temple Jewish periods and includes similar patterns exposed by various groups scholars along this trajectory *The Rise and Fall of the Complementarian Doctrine of the Trinity* Kevin Giles,2017-07-14 Since the late 1970s complementarian theologians have been arguing that the divine three persons in the Trinity are ordered hierarchically and that this is the ground for the hierarchical ordering of the sexes Suddenly and unexpectedly in June 2016 a number of complementarian theologians of confessional Reformed convictions came out and said that to so construe the Trinity is heresy it is a denial of what the creeds and confessions of the church rule is the teaching of Scripture A civil war among complementarians followed and in a very short time those arguing for hierarchical ordering in the Trinity capitulated This book tells the story **Trinitarian Dogmatics** D. Glenn Butner, Jr.,2022-07-19 Christianity Today 2023 Award of Merit Academic Theology This introduction draws on the breadth of the Christian tradition to present a biblically grounded globally informed and conceptually precise account of the doctrine of the Trinity It covers key themes and concepts offering an alternative to introductory texts on the Trinity that are arranged historically chronologically The book incorporates majority world theology engages important debates in contemporary biblical studies and draws on neglected historical figures It also contains a glossary of trinitarian terms and an annotated bibliography of major works on the doctrine of God **The Cambridge Companion to the Trinity** Peter C. Phan,2011-06-30 This Companion explores how the Christian doctrine of the Trinity has been understood and articulated in the last two thousand years The Trinitarian theologies of key theologians are carefully examined and the doctrine of the Trinity is brought into dialogue with different religions as well as with other Christian beliefs **A Jewish Trinity** Alan Brill,2025-10-28 The Christian affirmation of a triune God has always perplexed and confounded Jews Can Jews get beyond understanding the Trinity as inherently tri theistic A Jewish Trinity serves as an entrance into a range of issues in Jewish Christian theological difference presenting a Jewish understanding of six topics in contemporary Christian theology Trinity original sin incarnation salvation messianism and covenant In A Jewish Trinity Alan Brill seeks a Jewish appreciation for the core theological differences between the two religions The book is informed by recent historical studies of the early Jewish Christian division showing greater commonality in theological ideas The book however concentrates on contemporary Christian theology especially the constructive theology of Karl Rahner and Jürgen Moltmann to demonstrate that contemporary Christian theological formulations possess greater affinity to Jewish conceptions than did prior Christian theology while also still providing religious difference This work of comparative theology is a crucial next step in Jewish Christian encounter for our historically informed post polemical age Brill shows that Jews and Christians can engage in comparative discourse on theological issues with full clarity and understanding The book seeks to change the field of Jewish Christian encounter going beyond reconciliation toward a richer and deeper theological discussion of similarity and

difference **Holman Concise Bible Dictionary** Holman Bible Editorial Staff,2011 More than four thousand entries cover key people places and events found in the Bible **Matthew within Sectarian Judaism** John Kampen,2019-06-25 A renowned scholar of the Dead Sea Scrolls argues for reading the Gospel of Matthew as the product of a Jewish sect In this masterful study of what has long been considered the most Jewish gospel John Kampen deftly argues that the gospel of Matthew advocates for a distinctive Jewish sectarianism rooted in the Jesus movement He maintains that the writer of Matthew produced the work within an early Jewish sect and its narrative contains a biography of Jesus which can be used as a model for the development of a sectarian Judaism in Lower Syria perhaps Galilee toward the conclusion of the first century CE Rather than viewing the gospel of Matthew as a Jewish Christian hybrid Kampen considers it a Jewish composition that originated among the later followers of Jesus a generation or so after the disciples This method of viewing the work allows readers to understand what it might have meant for members of a Jesus movement to promote their understanding of Jewish history and law that would sustain Jewish life at the end of the first century
