5 At the beginning of this text Deering and Angus are trapped on a mountain.

Explain how the language used in Paragraph 1 emphasises the lack of visibility on the mountain. Support your ideas with three details from the paragraph.

- Firstly, "black already fled" implies that the fog was becoming so concentrated to the point it coated the person standing ^{silently} ~~there~~ ^{and coated the person standing}
- Secondly, "muffled the fading sun" suggests that the fog was covering the sunlit, thus making them lost ^{and their only natural light source to aid them through the fog}
- Thirdly, "world pushed down into a dark distance" says that there was no longer sunlight to help them get past the fog which would affect them as without a strong light source, it would be ^{challenging to hike through the mountains}
