

The background of the book cover is a detailed molecular model. It features a central chain of green spheres, likely representing carbon atoms, with various white and light blue spheres attached, representing hydrogen and oxygen atoms respectively. The model is rendered with soft shadows and highlights, giving it a three-dimensional appearance. Two semi-transparent teal rectangular boxes are overlaid on the cover: one at the top center containing the authors' names, and another at the bottom center containing the edition information and a disclaimer.
