

The background of the cover features a detailed illustration of various microscopic organisms. On the left, a large, elongated, yellowish structure with internal orange filaments is prominent. To its right and below are numerous spherical, greenish-yellow cells, some of which contain internal orange structures. A network of thin, branching, yellowish lines, possibly representing fungal hyphae or bacterial filaments, weaves through the scene. The overall color palette is dominated by yellows, oranges, and greens against a solid black background.
