

Printed manuals PMDG MD-11.

By: Tino Broekstra

During the installation of the PMDG MD-11 into FS, the manuals will also be installed on your hard disk. The format in which the manuals are delivered is pdf. Altogether these manuals are over 1440 pages.

To fly the MD-11 the way PMDG intended you to do, it's necessary for you read the manuals carefully. The most common way to read the manuals is to open Adobe Acrobat Reader to access the pdf files. Another way is to connect a printer to the computer and print all pages. This will take about 3 packs of paper and a lot of (expensive) ink. To store all the printed information, you will also need 3 binders.

However, there is another alternate to have printed manuals on your Computer's desktop; you can buy the PMDG printed manuals. In Europe, Aerosoft is the distributing company. The entire set of manuals will cost you for €169.99. A complete printed set contains 2 binders (Aircraft Systems & FMS Supplements and the Flight Crew Operating Manual) and a spiral bound book (Quick Reference Handbook) you
