Seachris,2023-11-30 Can human life be meaningful What does talk about life s meaning even mean What is God s role if any in a meaningful life These three questions frame this one of a kind debate between two philosophers who have spent most of their professional lives thinking and writing about the topic of life s meaning In this wide ranging scholarly conversation Professors Thaddeus Metz and Joshua W Seachris develop and defend their own unique answers to these questions while responding to each other s objections in a lively dialog format Seachris argues that the concept of life s meaning largely revolves around three interconnected ideas mattering purpose and sense making that a meaningful human life involves sufficiently manifesting all three and that God would importantly enhance the meaningfulness of life on each of these three fronts Metz instead holds that talk of life s meaning is about a
